Programs

Channel	Issue	Time	Date	Duration (Seconds)	Title of Program	Brief Narrative Description
KCPQ	Transportation	4:00 PM	10/5/2020	3:22	Q13 News at 4	We told viewers that WSDOT is trying to gather opinions from commuters that use the US Trestle. To ease congestion they are considering a new trestle, but need to find a way to pay for it including a possible toll lane.

Quarterly Issues and Program List

KCPQ	Education	10:00 PM	10/6/2020	4:29	Q13 News at 10	We discussed Covid's impact on Kindergarten enrollment. Due to remote learning, many parents opted to keep their kids home for another year. Officials worry it will negatively impact budgets since they rely on student enrollment. Also, educators think this could lead to larger class sizes next year.
KCPQ	Government	10:00 PM	10/6/2020	4:15	Q13 News at 10	We updated viewers on Governor Inslee's plans to loosen Covid restrictions on businesses. The changes include allowing bars and restaurants to remain open an extra hour. Also, restaurants can now allow up to six people per table, 8 for counties in phase 3, and diners sharing a table don't need to be from the same household.
KCPQ	Community	10:00 PM	10/13/2020	5:05	Q13 News at 10	We told viewers about new development in the community of Covington consisting of 1,500 new residential units for townhomes and apartments and spaces for business, retail, and entertainment. The city plans to improve roads to help with congestion. But experts think the development will meet the growing need for people looking to move away from metro areas and find a family-friendly community.

Quarterly Issues and Program List

KCPQ	Government	11:00 PM	10/18/2020	:18	Q13 News at 11	We reminded viewers that they have until October 26 to register to vote by mail or online. In-person registration can happen until election day. We also reminded viewers that ballots need to be postmarked or dropped at a ballot box by 8pm on election day.
KCPQ	Health	10:00 PM	10/19/2020	1:56	Q13 News at 10	We told viewers there are two promising RNA vaccines being tested by both Moderna and Pfizer. The vaccines aim to train your immune system to fight off the worst symptoms of Coronavirus. There is still no estimate as to when the vaccines will become available.
KCPQ	Public Safety	11:00 PM	10/20/2020	:20	Q13 News at 11	We warned viewers that King County is seeing an uptick in Fentanyl overdoses. Last year, 119 cases were reported. So far this year there has been 135. Also, this year Fentanyl makes up 40% of those cases compared to only 1% in 2015. Health experts think the main culprit is that people think they are buying regular prescription drugs off the street, but many end up being laced with Fentanyl. While it works much like morphine, it is 50-100 times stronger.

Quarterly Issues and Program List

KCPQ	Education	10:00 PM	10/22/2020	:49	Q13 News at 10	We updated viewers on student progress during remote learning. Some parents and educators worry that some kids may fall behind. However, the data doesn't yet back up concerns, some districts are adjusting grading policies. Others may begin implementing small in-person learning sessions for students to help to bridge the gap. Districts will have more data in January.
KCPQ	Environment	10:00 PM	10/23/2020	:35	Q13 News at 10	We announced that crews finally found the first Asian Giant Hornet nest on a property in Blaine. The discovery was made by attaching radio trackers to a hornets that had been trapped which led them right to the nest. Crews can now work to dismantle the nest and hopefully prevent further spread of the invasive species.
KCPQ	Government	11:00 PM	10/26/2020	1:22	Q13 News at 11	We told viewers the federal government confirmed Amy Conan Barrett to the U.S. Supreme Court. The move is not without controversy given the Republican's refusal to confirm Obama's pick, citing judges should not be confirmed during an election year. Not a single Democrat voted to confirm the new justice.

Quarterly Issues and Program List

KCPQ	Community	11:00 PM	10/26/2020	2:16	Q13 News at 11	We shared concerns from Seattle residents about the growing homeless population and lack of action from city officials. With funds cutting park maintenance crews and the SPD, areas of the city are becoming overrun and unsafe. A group of advocates have sent a letter to the city council and the mayor to encourage them to do something.
KCPQ	Public Safety	10:00 PM	10/27/2020	:25	Q13 News at 10	With Halloween this weekend, we told viewers what health experts recommend for celebrating the holiday safely. Experts at UW say the safest option is for people to avoid gatherings and trick or treating altogether. They say parents should consider a candy scavenger hunt, movie night, or even virtual costume contests. But if families decide to go out anyway, they should wear masks and practice social distancing guidelines.
KCPQ	Economy	11:00 PM	10/28/2020	1:47	Q13 News at 11	We told viewers that Boeing reported a net loss of \$466 million in the third quarter. With these results, the company also announced even more cuts to its workforce. While it didn't mention which plants would be impacted most, the city of Renton is bracing for yet another blow to its workers and local businesses.

Quarterly Issues and Program List

KCPQ	Housing	3:00 PM	11/5/2020	:10	Q13 News at 3	We told viewers about new about a new tiny home development in Tacoma. The homes aim to help provide shelter to people experiencing homeless. Every home is insulated and furnished as well as offers heat, electricity, windows, and locking door.
KCPQ	Government	11:00 PM	11/5/2020	:37	Q13 News at 11	We let viewers know Oregon passed a measure emphasizing a different approach to drug addiction and criminal justice. The plan focuses on offering treatment to reduce recidivism for drug crimes. Washington lawmakers hope to pass a similar measure known as the "Treatment and Recovery Act."
KCPQ	Government	4:00 PM	11/6/2020	:15	Q13 News at 4	We provided an overview of the latest national and local election results.
KCPQ	Government	10:00 PM	11/8/2020	1:55	Q13 News at 10	We shared the local reaction to Joe Biden winning the election. Researchers and transportation officials especially think they will benefit with Biden in the office since they rely on federal grants for projects. Additionally, Washington lawmakers think they may gain more support and access to the president to make more effective policies.

Quarterly Issues and Program List

KCPQ	Health	10:00 PM	11/8/2020	:35	Q13 News at 10	We told viewers the state hit a new record high number of Covid-19 cases. Health officials say the upward trend began in mid-September and worry that with the holidays and temptation to get together, the numbers will continue to rise. Experts say opening windows and doors to create better ventilation could help limit spread indoors.
KCPQ	Transportation	4:00 PM	11/10/2020	:18	Q13 News at 4	We warned viewers that the snow level dropped to 2,500 feet over the mountain passes so drivers should be prepared for travel delays and be sure to have snow or traction tires as well as chains. Even though the snow creates difficult travel conditions, its arrival is great for the region's snow pack and ski resorts.

KCPQ	Environment	4:00 PM	11/10/2020	:40	Q13 News at 4	We told viewers the first Asian Giant Hornet nest was found in Whatcom County. Officials say finding the nest allows them to not only prevent the spread of the invasive species, but gives them the opportunity to study them.

Quarterly Issues and Program List

KCPQ	Economy	5:00 AM	11/10/2020	:16	Q13 News This Morning	We told viewers Amazon is facing new anti-trust claims in Europe. The EU says Amazon is using data they collect on small business sellers on its platform to launch competing products. If proven, Amazon could be on the hook to pay billions in fines. The company says they disagree and remain committed to supporting local and small businesses.
KCPQ	Health	9:00 AM	11/10/2020	1:40	Q13 News This Morning	We provided an update on Covid-19 vaccine trials. Our own Fred Hutchinson is teaming up with Astra Zeneca to conduct phase 3 human trials. They are looking for 500 volunteers and we provided the information for any viewers interested in participating.
KCPQ	Community	4:00 PM	11/11/2020	:25	Q13 News at 4	We let viewers know the Seattle Kraken organization teamed up with a local nonprofit to deliver free meals to front line workers. The teams says it's a win-win by supporting local restaurants and showing gratitude to healthcare providers.
KCPQ	Public Safety	9:00 AM	11/12/2020	:25	Q13 News This Morning	We told viewers several airlines are urging the government to create comprehensive Covid-19 guidelines. They hope that clear protocols will help airlines regain customers while keeping travelers safe.

Quarterly Issues and Program List

KCPQ	Government	7:00 AM	11/16/2020	1:09	Q13 News This Morning	We provided a rundown of Governor Jay Inslee's new Covid restrictions. He is reinstating a ban on all indoor gatherings unless attendees quarantine for 14 days or quarantine 7 days and receive a negative Covid test. Additionally, all indoor dining at restaurants is suspended, retail and grocery store capacity is capped at 25%, and gyms, museums, aquariums, and other recreational facilities must be closed.
KCPQ	Transportation	10:00 PM	11/16/2020	:41	Q13 News at 10	We provided an update on the proposals to repair or replace the West Seattle bridge. Just repairing the bridge would reopen it as soon as 2022, but would cost over \$916 million. However, it would only last 15-40 years. Replacing the bridge delays its reopening until 2023, but only costs \$391 million-\$522 million. However, a new bridge would last 75-100 years.
KCPQ	Education	11:00 PM	11/18/2020	2:06	Q13 News at 11	We told viewers that the Monroe School District was poised to resume in-person and hybrid learning for students. However, two days after returning, the district immediately paused the return to the classrooms citing growing concern from parents and teachers. Community members even hosted a virtual rally.

Quarterly Issues and Program List
