Why We Support Vegas PBS...

We support Vegas PBS because we value education.

Challenger is a private school offering preschool through eighth grade.

We teach children to find joy and self-worth through achievement. We also teach them to become self-reliant and independent in their thinking and actions. These are parts of our mission and part of the end we have in mind when teaching our students.

Challenger School values its own independence, too. We protect it by not accepting any government money and the intrusion that comes with it. We use our own curriculum and methods.

We are pleased to sponsor children's programming because PBS viewers value education.
