

Terry Nebelsick for State House District 22 Script (May 9 – June 3, 2024)

This is Terry Nebelsick asking for your vote in the June 4 Primary for State House from District 22...I've served and at times lead committees for the last four Governors...I will lead with a positive voice while watching closely that our tax dollars are wisely spent...I will work to bring consensus on what's best for District 22 and best for South Dakota...Again, Primary Day is June 4 at your local precinct...Absentee voting is available now at your courthouse...Paid for by Terry Nebelsick for State House, Amanda Haeder Treasure.
