The heart and soul in sports®

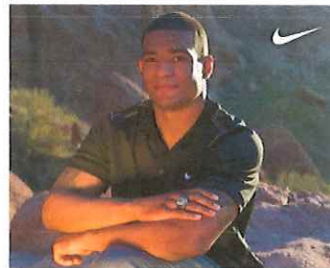

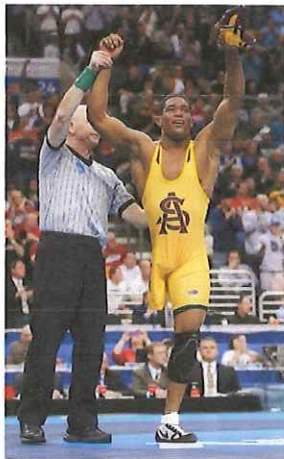

Dear *friends @ KOME/RRZK -*

Thank you so much for attending last week's Christian Athlete and Coach of the Year Banquet. We are so grateful that you took the time to be there and support us by sponsoring a table, buying a ticket or volunteering your time to make this year's Banquet the best.

Dick Vitale and his wife Lorraine were terrific. We were all so blessed by their willingness to share a little bit of their life with us. Congratulations to our Coach of the Year, Brandon Scott from Buchanan Intermediate School, Female Athlete of the Year, Kass Graves from Cassville and Male Athlete of the Year, Joel Gertson from Reeds Spring.

We are most excited that 6 people gave their life to Christ for the first time and 10 people wanted to rekindle their relationship with Christ at this year's Banquet. That is what makes what we do so special and that God is using South Central MO FCA to do it.

To Mr. and Mrs. Earls,

Thank you so much for the KRZK/KOMC Hometown Radio Production award; I am truly honored to receive it for my work at 91.7 KCOZ. The award you have given me is humbling in reflection of the work I have achieved at the college as well as a result of dedication to my passion and art form that has shaped me since my childhood.

I am a music Theory/Composition student at College of the Ozarks with a minor in Media Production. Since I was born, music has always been a part of my life. When I was accepted to College of the Ozarks, I found myself enjoying audio editing and production more and more, eventually finding a place at 91.7 KCOZ under Laramie Lowe. In the time I have been here, I have been promoted to Music Director and Producer/Chief Editor for several radio dramas, ranging from Washington Irving's *The Legend of Sleepy Hollow* to Charles Dickens' *A Christmas Carol*. I also have been the host of one of the longest running shows on our station, our morning media/talk show, *Eggs, Bacon, & Beats*. This award reminds me of the gifts that God has given me, and how He has grown me in radio broadcasting. Thank you again for the radio award!

Sincerely,

✧ To Carl's Family Broadcasting

Thank you so much for allowing our family the opportunity to become "Country Club" members and giving us access to the listener appreciation event at the Passion Play in Eureka Springs. We attended the performance Friday June 9 and had a wonderful time. The play is fabulous and very inspiring. We look forward to listening to your radio broadcast and perhaps more events in the future!

Sincerely, The White family
