9-27-19 12PM SCHOOL WELLNESS CENTER FOR STRESSED OUT STUDENTS PKG 1] WITH GENTLE MUSIC AND SOFT LIGHTING... THIS MAY NOT LOOK LIKE YOUR TYPICAL HIGH SCHOOL CAMPUS SCENE. BUT AT PIONEER HIGH SCHOOL IN SOUTH SAN JOSE... STUDENTS NOW HAVE A "WELLNESS CENTER"... TO DECOMPRESS.HERNANDEZ says: "...and they'll try meditation; they'll try a meditative app; they'll work with the stress toys; for some students it's sketching." IT'S A PLACE WHERE STUDENTS CAN CALM THEIR MIND... WHETHER IT'S READING ABOUT MINDFULNESS... OR PRACTICING YOGA. STUDENTS CAME UP WITH THE IDEA... ULTIMATELY FUNDED BY A \$49-THOUSAND DOLLAR MENTAL HEALTH GRANT FROM THE SAN JOSE UNIFIED SCHOOL DISTRICT. THIS SPACE OPENED SIX WEEKS AGO, AND HAS ALREADY HAD 2-HUNDRED CHECK-INS.HERNANDEZ says: "We were planning to open the 2nd Friday of school... but the first day of school we had 5 students in crisis, so we opened." ACCORDING TO THE PEW RESEARCH CENTER... ANXIETY AND DEPRESSION ARE ON THE RISE AMONG TEENS... CITING PRESSURE TO GET GOOD GRADES AS ONE OF THE TOP STRESSORS.KIM says: "About 80% of the students that are coming in are dealing with some kind of anxiety or stress." PIONEER STUDENTS WITH A PASS GET 20 MINUTES TO CHECK-IN; MUST IDENTIFY WHY THEY'RE HERE; RATE THEIR WELLNESS; AND THEN FIND A COPING STRATEGY. AND ORGANIZERS NOTE THIS IS NOT A PLACE OR REPLACEMENT FOR MENTAL HEALTH THERAPY.KIM says: "If a student comes more than 3 or 4 times... we do know that... and we kind of work with them and their families to see what other resources they need."(reporter on cam tag) THE MESSAGE HERE IS IT'S OKAY, NOT TO BE OKAY. SAN JOSE UNIFIED SAYS THIS IS A FIRST FOR THE DISTRICT, BUT THEY HOPE IT WON'T BE THE LAST. IN SAN JOSE... MAUREEN NAYLOR, KTVU FOX TWO NEWS. >

Seek's AR (Augmented Reality) technology helps you shop more confidently for any physical item. From furniture to shoes and cars to paintings, Seek's technology lets you see what a product looks like in their home, office or any space before you buy it. This leads to better buying decisions and a better shopping experience.How does the TECH WORK? From a user standpoint, shoppers can find this technology on their favorite websites (overstock.com, Walmart.com, and more). When they find a product that is AR enabled, they just tap on the 'View in my room' button and the phone's camera will open. The object is then placed in the user's world environment true to size. It's very intuitive. From a core technology standpoint, Seek is using the phone's camera to measure the user's room or environment. Phones have become powerful enough that this technology is now available to over 70% of smartphone users. And even if a phone isn't enabled for AR viewing, an interactive 360 viewer is available.What's the E-COMMERCE INDUSTRY IMPACT? 1. 30% of all online purchases are returned. That's a \$400B/yr cost for online retailers. Seek tech helps solve that problem. In addition, when AR is used, consumers are more confident in their purchaseWhat's the future of AR in e-commerce, and beyond? Wearables are the future. For now, making the process ubiquitous and easy. The easy piece is there and the ubiquitous piece is underway. 3D objects will become easier and easier to create, allowing this technology to be used in many industries in our everyday life.

[X:210 - TONS C - Ross Video - Transition: DISSOLVE 15 - Audio AFV: Default][X:1202 - TP OFFSET - Ross Video - Transition: DISSOLVE 15 - Audio AFV: Default - X]Hasbro is releasing a new version of Monopoly where the mustachioed, top-hat-wearing Rich Uncle Pennybags isn't the center of attention — his niece is. Dubbed Ms. Monopoly, the brand-new game is focused on celebrating female entrepreneurs, as players advance around the board investing in products and inventions created by women, rather than throwing down cash on properties and railroads. Some examples of said featured innovations include bulletproof vests, life rafts, stem-cell isolation, and retractable dog leashes.As the packaging indicates, it's "the first game where women make more than men." Each female player receives \$1,900 from the banker at the beginning, whereas the men receive just \$1,500. And when players pass go, women are awarded \$240, while men are awarded \$200. Can we get a hell yeah? Take that, gender pay gap!Ms. Monopoly is currently available for pre-order on Walmart.com, and Hasbro is planning to roll it out to major retailers nationwide in the next two weeks.

BARBER says: "Reality is, is that several spots that we used to be able to fill very quickly have been a challenge to fill." NOT EVERYONE AGREES IT'S A CRISIS. ONE PUBLISHED REPORT FINDS THAT OF 2000 KENTUCKY VACANCIES POSTED LAST APRIL HUNDREDS HAVE SINCE BEEN FILLED AND CLAIMS OF TEACHER SHORTAGES ARE NOT UNCOMMON IN LATE SUMMER BUTCHER

says: "A hundred years ago, special interest groups, like teacher unions, were saying there was a teacher shortage when we had about 33 children to a classroom, and today the number is about half that and they're still saying that we have a shortage." STILL, A RECENT STUDY FOUND THAT THE NATIONWIDE SHORTAGE QUADRUPLED IN 5 YEARS - FROM 20,000 IN 2013, TO OVER 110,000 LAST YEAR. LOW PAY IN A TIME OF ABUNDANT JOBS IN A STRONG ECONOMY MAY CONTRIBUTE, SO DOES TOO MUCH STANDARDIZED TESTING WHICH CAN DULL A PASSIONATE TEACHER'S CREATIVITY. WELL, NEW RESEARCH INDICATES THAT ONE OF THE BEST WAYS TO MONITOR YOUR BLOOD PRESSURE IS MAYBE NOT WITH THIS... BUT WITH A TWENTY-FOUR HOUR AMBULATORY BLOOD PRESSURE MONITOR. NOW THIS DEVICE YOU WEAR AND IS PUT ON YOUR ARM - AND, IT MEASURES YOUR BLOOD PRESSURES EVERY FIFTEEN MINUTES DURING THE DAY - AND AT NIGHT WHILE YOU ARE SLEEPING. WE CAN GET A VERY ACCURATE ASSESSMENT OF WHETHER YOU HAVE HIGH BLOOD PRESSURE OR NOT, WITH THAT TYPE OF DEVICE. MANY STUDIES SHOW THAT WHEN YOU GO TO YOUR HEALTH CARE PROVIDER'S OFFICE... THE READING ARE INACCURATE WITH A DEVICE LIKE THIS - BECAUSE YOU DEVELOP WHAT'S CALLED WHITE COAT HYPERTENSION. AND, THAT CAN LEAD TO FALSE READINGS. SO LISTEN FOLKS, IF YOU HAVE HIGH BLOOD PRESSURE OR YOU THINK YOU DO... CHECK WITH YOUR HEALTH CARE PROVIDER - ABOUT GETTING A 24-HOUR BLOOD PRESSURE MONITOR. I'M DR. KENTUCKY'S COMMISSIONER OF EDUCATION IS CONFRONTING A NATIONWIDE CRISIS. SCHOOLS ACROSS AMERICA ARE SCRAMBLING TO FILL TEACHER VACANCIES IN THE WANING DAYS OF SUMMER. BARBER says: "Reality is, is that several spots that we used to be able to fill very quickly have been a challenge to fill." NOT EVERYONE AGREES IT'S A CRISIS. ONE PUBLISHED REPORT FINDS THAT OF 2000 KENTUCKY VACANCIES POSTED LAST APRIL, HUNDREDS HAVE SINCE BEEN FILLED. AND CLAIMS OF TEACHER SHORTAGES ARE NOT UNCOMMON IN LATE SUMMER. BUTCHER says: "A hundred years

ago, special interest groups, like teacher unions, were saying there was a teacher shortage when we had about 33 children to a classroom, and today the number is about half that and they're still saying that we have a shortage." STILL, A RECENT STUDY FOUND THAT THE NATIONWIDE SHORTAGE QUADRUPLED IN 5 YEARS - FROM 20,000 IN 2013, TO OVER 110,000 LAST YEAR. LOW PAY IN A TIME OF ABUNDANT JOBS IN A STRONG ECONOMY MAY CONTRIBUTE, SO DOES TOO MUCH STANDARDIZED TESTING WHICH CAN DULL A PASSIONATE TEACHER'S CREATIVITY. ADMINISTRATIVE BLOAT MAY ALSO CONTRIBUTE TO TEACHERS' SCARCE RESOURCES. BUTCHER says: "Remarkably today, half or more of the entire education profession is non-instructional individuals."

AT A HOUSE PARTY THERE TODAY, BIDEN TOUTED THE VIRTUES OF KEEPING THE AFFORDABLE CARE ACT IN PLACE, INSTEAD OF REPLACING IT WITH THE KIND OF SINGLE-PAYER HEALTH PLAN THAT A MAJORITY OF TOP DEMOCRATIC CANDIDATES ARE CALLING FOR - SAYING IN LARGE PART IT COMES DOWN TO THE COSTS. BIDEN says: "The idea that and people who are qualify for Medicaid right now would automatically be enrolled now costs a lot of money seven hundred and fifty billion dollars over 10. But it doesn't cost three trillion dollars and it can be done quickly and I don't know why we get rid of what in fact was working and moved to something totally new." YESTERDAY, BIDEN ALSO PRAISED BERNIE SANDERS FOR BEING THE ONLY CANDIDATE OUT THERE WHO'S HONEST ABOUT THE COSTS AND CONSEQUENCES OF MEDICARE FOR ALL --- BUT SANDERS ISN'T HAPPY WITH HOW BIDEN'S BEEN DEPICTING HIS PLAN, AND FIRED BACK THIS AFTERNOON IN A STATEMENT, SAYING IN PART:"At a time when Donald Trump and the health insurance industry are lying every day about Medicare for All, I would hope that my fellow Democrats would not resort to misinformation about my legislation."(reporter on cam tag) WE WILL LIKELY BE HEARING A LOT MORE ON THIS FROM SANDERS, BECAUSE JUST A FEW HOURS AFTER THAT STATEMENT, HIS CAMPAIGN ANNOUNCED HE PLANS TO DELIVER A MAJOR ADDRESS ON MEDICARE FOR ALL THIS NEXT WEEK ON WEDNESDAY, IN WHICH HE'LL CONFRONT THOSE WHO ARE OPPOSED TO IT.

7-3-19 4PM MENTAL HEALTH IN TEENAGERS PKG 1] [X:205 - TONS AB - Ross Video - Transition A HEALTHWIPE - CustomControl HLTHWIPE (B)<(reporter on cam intro) RESEARCHERS FROM ACROSS THE GLOBE ARE TRYING TO FIGURE OUT WAYS TO DECREASE MENTAL ILLNESS IN ADOLESCENTS AGE 10 TO 19. (reporter track) IT'S ESTIMATED THAT 22 PERCENT OF TEENS IN THE U-S HAVE EXPERIENCED A MENTAL ILLNESS.... AND HALF OF ALL MENTAL ILLNESS BEGIN AROUND AGE 14. YET ONLY 50 PERCENT OF YOUTH WITH A MENTAL HEALTH DISORDER GET TREATMENT. FOR THAT REASON THE HELPING ADOLESCENTS THRIVE IS A INITIATIVE HOPING TO PROVIDE EFFECTIVE PSYCHOLOGICAL INTERVENTIONS FOR TEENS. TO FIGURE OUT WHAT WORKS BEST - RESEARCHERS EVALUATED PSYCHOLOGICAL INTERVENTIONS BY GOING THROUGH ONE-HUNDRED-AND-FIFTY-EIGHT STUDIES AND MORE THAN 14-THOUSAND RECORDS. SOME INTERVENTIONS WERE FACE TO FACE AND OTHERS WERE ON DIGITAL DEVICES. THE AUTHORS FOUND THAT INTERPERSONAL SKILLS TRAINING OR HELPING TEENS DEVELOP RELATIONSHIPS WITH MORE THAN ONE PERSON.... EMOTIONAL REGULATION OR LEARNING HOW TO MANAGE AND RESPOND TO EMOTIONAL EXPERIENCES AND ALCOHOL AND DRUG EDUCATION.... WERE SUCCESSFUL ACROSS A RANGE OF MENTAL HEALTH ISSUES. OTHER COMPONENTS THAT WERE SUCCESSFUL WERE MINDFULNESS, PROBLEM SOLVING, ASSERTIVENESS TRAINING AND STRESS MANAGEMENT. RATHER THAN FOCUSING ON A SINGLE ISSUE LIKE DELAYING ALCOHOL USE, INTERVENTIONS THAT COVERED MULTIPLE ISSUES AT ONCE WERE MORE SUCCESSFUL..... AND INTERVENTIONS THAT ADDRESSED ALCOHOL AND DRUG ABUSE, INCLUDING TEACHING TEENS ABOUT HOW DRUGS WORK....
