Dear Mr. Schimizzi;

I wanted to express my sincere appreciation to WVVH for the outstanding coverage your organization provided for my 2014 Annual Environmental Round Table. Your director, Bob Beres, has always done a wonderful job following the many attendees of the event and capturing their comments. It's certainly not an easy task!

The filming, producing, editing and airing of the Round Table on WVVH, in addition to making the Youtube video available to everyone, is an outstanding contribution to the public. Thank you for your interest and support in the event.

Sincerely,
