Dear Greg and Ernie,

As you know, Gurney's Inn and East End Cares hosted a fundraiser on Friday, December 13th to help the good people of the Philippines who are still suffering from the devastation that hit their homeland.

I would like to personally thank you for your generosity and support in making this event such a huge success. With the help of your generous support we were able to raise over \$15,000 to aid in the relief efforts that are ongoing in the small villages throughout the province of Leyte, Philippines.

It is because of the support and compassion of people like you that we will continue to raise awareness and funds to help the hundreds of thousands of unfortunate victims of this typhoon.

On behalf of our brothers and sisters across the sea in the Philippines, I thank you from the bottom of my heart for your support.

Sincerely,

Paul Monte
GM and CEO

Thanks for all your support in everything we do!
