Save Them All Anthem :30

VO: You can't buy a best friend.  
 You can love them, pet them, care for them - whether they want you to or not.  
 You can take a picture.  
 You can jump, yell  
 You can fly to the moon  
 Travel the world  
 Or just stay in bed.  
 You can't buy a best friend like that.  
 But you can adopt one.

Save Them All Anthem :60

VO: You can't buy a best friend.  
 You can love them, pet them, care for them - whether they want you to or not.  
 You can take a picture or 50.  
 You can bring them with you wherever you go.  
 You can jump, yell, hide and go seek.  
 Play dress up  
 Or not  
 Go for a walk  
 Or not  
 You can fly to the moon  
 Travel the world  
 Or just stay in bed.  
 You can't buy a best friend like that.  
 But you can adopt one.
