# ROLLING UP SLEEVES

:60 & :30 (ENGLISH & SPANISH) (CC)

No expiration date

"While I was in the military, I served my country. I did my job. But as a Veteran with a disability, I was worried about my career prospects. ...VocRehab helped me roll up my sleeves and get back to work..."

"...Took my professional development to the next level with vocational counseling and education."

"...Elevated my career, even though a back injury prevented me from doing any heavy lifting."

"...Prepared me for my next mission, and helped me see that success after the service is possible."
