## DECLARATION OF RICHARD S. DENNING

I, Richard S. Denning, hereby declare as follows:

1. I am Executive Vice President and General Counsel of Cumulus Licensing LLC, licensee of radio station KSCR(AM), Eugene, Oregon (Facility ID 30649), which is part of a station employment unit based in Eugene, Oregon, and which includes stations KUGN(AM), KZEL-FM, KNRQ(FM), KUJZ(FM), and KEHK(FM) (collectively, the “SEU”). The stations in the SEU are commonly owned through indirect subsidiaries ultimately owned and controlled by Cumulus Media Inc. (collectively, “Cumulus”). This Declaration and the attachments annexed hereto are being submitted in response to a letter dated February 14, 2019 (the “Audit Letter”) from Lewis C. Pulley, Assistant Chief, Policy Division, Media Bureau,<sup>1</sup> Federal Communications Commission (“FCC”), concerning a random audit of the SEU’s compliance with the FCC’s equal employment opportunity (“EEO”) rule, 47 C.F.R. § 73.2080.

2. The SEU employs five (5) or more full-time employees as the term is defined in Section 73.2080(e)(1), 47 C.F.R. § 73.2080(e)(1), of the FCC’s rules.

3. On November 29, 2017, the then ultimate parent entity of the SEU and certain of the parent’s direct and indirect wholly-owned subsidiaries filed a series of voluntary petitions for bankruptcy with the United States Bankruptcy Court in the Southern District of New York. The debtors’ Plan of Reorganization was approved by the Bankruptcy Court on May 10, 2018. In connection with the debtors’ Plan of Reorganization, each of Cumulus’ seven (7) indirect wholly-owned licensee entities filed an FCC Form 315 Application requesting Commission consent to transfer control of its various FCC authorizations which was granted by the Commission on June 1, 2018.<sup>2</sup> Cumulus emerged from the Chapter 11 bankruptcy proceeding and consummated its Plan of Reorganization on June 4, 2018. Accordingly, in response to Question 3(a) of the Audit Letter, a copy of only the SEU’s most recent EEO public file report, as described in 47 C.F.R. § 73.2080(c)(6), is annexed hereto as Appendix A.

The website of each station in the SEU is as follows: [www.981thevalley.com](http://www.981thevalley.com); [www.kugn.com](http://www.kugn.com); [www.96kzel.com](http://www.96kzel.com); [www.nrj.com](http://www.nrj.com); [www.953thescore.com](http://www.953thescore.com); and [www.starfm1023.com](http://www.starfm1023.com).

A copy of the current EEO public file report is on or linked to each of the above websites. The date of each full-time hire also is contained in Appendix A hereto.

4. In response to Question 3(b) of the Audit Letter, documentation concerning the recruitment sources used to fill each full-time position during the period covered by the above EEO public file report is annexed hereto in Appendix B. Those recruitment sources that have notified the SEU that they want to be alerted to job openings at the SEU, as described in §73.2080(c)(1)(ii), are reflected in Section II of the EEO public file report.

---

<sup>1</sup> Cumulus acknowledges that, as of March 15, 2019, EEO audit and enforcement responsibilities were transferred from the FCC’s Media Bureau to the Enforcement Bureau. See *FCC Equal Employment Opportunity Audit and Enforcement Team Deployment*, 33 FCC Rcd 7504 (2018) (Order); *Public Notice*, DA 19-186 (rel. March 15, 2019) (“Transfer of EEO Audit and Enforcement Responsibilities to Enforcement Bureau”).

<sup>2</sup> See File Nos. BTC-20180322ABI, *et seq.*; BTC-20180322AMW, *et seq.*; BTC-20180322ALP; *et seq.*; BTCH-20180322AKR, *et seq.*; BTCH-20180322AMO, *et seq.*; BTC-20180322AMU; and BTCH-20180322AMV.

The SEU's standard practice is to retain copies of job vacancy announcements that are sent to all recruitment sources in its EEO program. The SEU's ability to recover certain documentation concerning the recruitment sources used to fill full-time positions during the period covered by the EEO public file report has been hampered by the departure of the SEU's former Business Manager at the end of December 2018. As explained in the greater detail in the Declaration of the SEU's Vice President/Market Manager annexed hereto as Appendix C, the SEU's former Business Manager handled virtually all of the EEO duties herself, including maintaining all of the records concerning job vacancy announcements and the distribution of those job postings to outside recruitment sources in connection with available full-time employment positions. Following the Business Manager's resignation and the end of her employment with Cumulus on December 31, 2018, the SEU discovered that it was able to locate very few EEO records. As demonstrated in Appendix C hereto, the Vice President/Market Manager contacted the SEU's former Business Manager in an effort to locate the relevant EEO records, but those efforts have been unsuccessful as the SEU still has not been able to locate the relevant EEO records as of this date.

Cumulus retains logs in electronic format for commercials aired on all of its stations, and, thus, generally has the ability to produce log sheets for those ads aired on its stations. Appendix B hereto also contains a log of the job vacancy announcements that were aired on the SEU's stations as well as the text of the announcements that were aired on the stations.

5. In response to Question 3(c) of the Audit Letter, the EEO public file report annexed hereto in Appendix A contains data regarding (a) the total number of interviewees for each full-time vacancy, and (b) the referral source for each interviewee for each full-time vacancy filled during the period covered by the EEO public file report.

6. In response to Question 3(d) of the Audit Letter, documentation of the SEU's performance of the recruitment initiatives as described in §73.2080(c)(2) during the relevant time period is annexed hereto as Appendix D. Station personnel involved in the recruitment initiatives are identified in Appendix D as well. The SEU employs a total of 19 full-time employees. The stations are located in a market with a population of more than 250,000. Accordingly, the SEU is required to perform at least four (4) recruitment initiatives during a two-year period.

7. In response to Question 3(e) of the Audit Letter, the licensee affirms that it is not aware of any pending or resolved discrimination complaints against the licensee of the stations in the SEU since June 4, 2018.

8. In response to Question 3(f) of the Audit Letter, Cumulus has established and implemented a company-wide EEO compliance plan. At the corporate level, Cumulus recognizes the importance of EEO compliance and has communicated the importance of complying with the FCC's broad outreach and recordkeeping requirements to employees at all levels within the company, including its national, regional and local personnel. The SEU's compliance efforts include identifying Cumulus's efforts to afford equal employment opportunities to employees through statements disseminated in job applications and vacancy announcements posted in conspicuous areas within the workplace.

The SEU's Business Manager has primary responsibility for implementing and overseeing the EEO program at the local level, including recruitment initiatives. Each time there is an opening for a full-time position, she contacts the recruitment sources listed in the SEU's EEO program and maintains the required records. The SEU works closely with the Eugene Area

Radio Stations (“EARS”), a local organization which seeks to promote career opportunities in broadcasting, particularly among young adults.

9. In response to Question 3(g) of the Audit Letter, the SEU recognizes that it is required to periodically analyze the effectiveness of its EEO recruitment program by reviewing the productivity of the recruitment sources listed therein in terms of both the quantity and quality of the interviewees that are being generated from those recruitment sources, as well as the results that are being produced from its recruitment initiatives. Accordingly, although the reporting period was short due to Cumulus’ reorganization – four months – the SEU will examine and update its recruitment source list and adjust its outreach efforts as needed. The Market Manager, Business Manager, together with other members of the SEU’s management team will meet on no less than a semi-annual basis (depending on the number of anticipated full-time hires during the next quarter) to discuss new and/or different recruitment initiatives in an effort to better inform the communities served by the stations within the SEU about career opportunities in broadcasting.

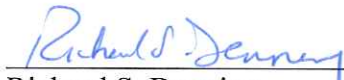

10. In response to Question 3(h) of the Audit Letter, the SEU makes a concerted effort to comply with all federal, state and/or local laws regarding pay, benefits, seniority practices, promotions, and selection techniques and tests to ensure that the SEU is providing equal employment opportunity, and is not discriminating against employees or job applicants. Accordingly, the SEU’s Market Manager, department managers, and Business department, together with Cumulus’s corporate Human Resources Department, review the compensation, benefits, promotions and other employment practices of the SEU to ensure that they are fair and are based solely on an employee’s experience and performance record. Further, in hiring a new employee, all responsible parties consider the applicant’s experience to determine whether the applicant is qualified for the position and analyze the candidate’s past performance to determine their likelihood for success. The SEU’s employment practices are the ultimate responsibility of its Vice President/Market Manager, Kathy Smith, who works in conjunction with in-house counsel at Cumulus headquarters and, when applicable, outside employment and labor counsel.

You listen to this radio station because it gives you the information you're looking for and keeps you updated as to what's going on as it happens. It entertains you. So why not become a part of it? I'm Samantha Kumm, and I'm the sales manager for this radio station. I'm looking for an outgoing, energetic, hard working salesperson to join my team. We offer a fantastic training program along with competitive pay and great benefits. But that's not the best part - Here you get to work in the fast paced world of radio where no two days are the same. You get to personally develop strategic marketing plans for local businesses and watch those businesses grow. So, if you're an outside salesperson looking for a more exciting sales career that offers tremendous growth potential, call me. If you're sick of selling a product that doesn't excite you, call me. Regarding the job fair, Matt found the title of the spot we ran when recruiting for Front office and Sales. The ad he heard when hired on to work for us ran in 2017. I put the title on Andreus chair yesterday on a pink sticky note.

These reports can be ran by Andreu I believe and the script should be on VCreative.

## **APPENDIX C**

### **Declaration of Kathy Smith**

## **DECLARATION**

Kathy Smith hereby declares as follows:

1. I am the Vice President/Market Manager for radio stations KSCR(AM), Eugene, Oregon; KEHK(FM), Brownsville, Oregon; KUGN(AM), Eugene, Oregon; KUJZ(FM), Creswell, Oregon; KZEL-FM, Eugene, Oregon; and KNRQ(FM), Harrisburg, Oregon; all of which are licensed to Cumulus Licensing LLC (“Cumulus”). I have held this position since June 4, 2018. The office for the station employment unit (“SEU”) is located at 1200 Executive Parkway, Suite 400, Eugene, Oregon 97401. In my position as Vice President/Market Manager, I am ultimately responsible for all matters affecting the SEU, including equal employment opportunity (“EEO”) matters.

2. I am providing this Declaration in response to a letter dated February 14, 2019 from Lewis C. Pulley, Assistant Chief, Policy Division, Enforcement Bureau (formerly Media Bureau), Federal Communications Commission (“FCC”), concerning a random audit of the SEU’s compliance with the FCC’s EEO rule, 47 C.F.R. § 73.2080.

3. The ultimate indirect parent entity of Cumulus is Cumulus Media Inc. (“CMI”). CMI, along with several of its direct and indirect wholly-owned subsidiaries, went through a Chapter 11 bankruptcy proceeding during 2017-2018. Following CMI’s emergence from bankruptcy on June 4, 2018 and continuing through December 31, 2018, nearly all of the SEU’s EEO matters were handled by its former Business Manager, Stacey Wyon, who retired on December 31, 2018. Ms. Wyon handled essentially all of the EEO duties herself from shortly after the time she assumed the duties of Business Manager until she resigned from her position at the end of last year. Specifically, Ms. Wyon was responsible for maintaining all EEO records concerning job vacancy announcements and distributing those job postings to outside

recruitment sources in connection with available full-time employment positions. As a result of her retirement, however, the SEU is unable to provide documentation showing that certain job vacancy announcements for available full-time positions during the current reporting period were distributed to some of the recruitment sources reflected in Section I of the EEO public file report. I recently contacted Ms. Wyon in an effort to locate the EEO files that she maintained while she was still employed at Cumulus last year, but the SEU still has not been successful in locating those files.

4. When the SEU posts a job vacancy announcement on the CMI website, it is automatically routed to each of the following third-party employment recruitment sources: (i) Glass Door, (ii) Indeed, (iii) LinkUp, (iv) Monster, and (v) Zip Recruiter.

I hereby declare under penalty of perjury that the foregoing is true and correct.

Signed and dated this 28 day of March, 2019.

Howdy  
What I would like to do is bring in two groups of 15 students. The class is two hours, so we could have half the first hour of 2 to 3 and the second group 3 to 4.

The date I am proposing is Mon April 9.

That work for you?

Hello All EARS Members –

I've just received the annual request from UO (and I'm sure LCC is not far behind) for commitment to tables at their Job Fairs this Spring. See below for the UO Summer Intern Fair on February 14.

**PROPOSED:** It occurs to me that we might increase the quality of our Summer Intern pool AND save some money by forgoing the Job Fairs and offering Summer Intern positions to the EARS Scholarship Application pool of local students.

**ACTION:** I know we get valuable credit for our Public Files and HR requirements from attending the Job Fairs, but what do you think about not attending the Job Fairs this year? Please respond with your vote in the next few days.

I loved volunteering at our campus radio station when I was in college. I won the EARS scholarship when I was a junior and it helped further drive my broadcasting education through my college career and helped me land a full-time radio gig when I graduated. I have been in radio for five years now and I couldn't imagine myself doing anything else. The EARS scholarship helped me pursue my true passion. Applications are due by April 1st, 2018. More information about how to apply for these two 3-thousand dollar scholarships is at [Eugeneradio.org](http://Eugeneradio.org). Just click on the scholarship tab. If you volunteer on a college radio station, EARS encourages you to apply for these scholarships today. Eugene Area Radio Stations (EARS) supports students and education in our communities.

Are you looking to get into a profession that's fun and gives you the regular opportunity to make a significant impact in the lives of those you serve? My name is Cameron Reiten. At the age of sixteen, my broadcast career began with a summer internship in the news department of a local station and I've had a passion for all things radio ever since. Following high school, I applied for and was awarded a Eugene Area Radio Station scholarship which was greatly beneficial as I pursued my studies. Today I own and manage the very station where I started as an intern nearly 15 years ago and still find my career personally fulfilling and immensely enjoyable. Applications are due by April 1st, 2018. More information and applications online at [Eugenearearadio.org](http://Eugenearearadio.org). Click on the scholarship tab. I need Stratus # from whoever handled the event or if anyone knows which client Kathy is needing on this. Once I have a Stratus # I can pull up the invoice associated and then go into VCreative and pull the scripts and spot that aired.
