Dawn,

The Enforcement Bureau hereby grants Cumulus's request for an extension of time to respond to the FCC's February 25, 2021 letter regarding the audit of KEHK(FM)'s EEO program ("Letter"), to and through May 26, 2021 ("Extension Date"). Failure to respond to the Letter by the Extension Date constitutes a violation of the Commission's rules and may result in enforcement action in accordance with section 73.2080(g).

Subject: Cumulus-Eugene, OR - Request for Extension of Time

Dear Ms. Goldin,

Cumulus Licensing LLC (“Cumulus”) is the licensee of Station KEHK(FM), Brownsville, Oregon (Fac. ID No. 7989), which appeared on the list associated with the February 25, 2021, FCC Public Notice that identified stations randomly selected for an EEO audit. KEHK is part of the Cumulus-Eugene, Oregon station employment unit (“SEU”) with commonly-owned Stations KSCR(AM), Eugene, OR; KUGN(AM), Eugene, OR; KUJZ(FM), Creswell, OR; KZEL-FM, Eugene, OR; and, KNRQ(FM), Harrisburg, OR.

Cumulus respectfully requests an extension of time to respond to the FCC’s EEO Audit Letter (“Letter”). Assembling an EEO audit response in the midst of the COVID-19 pandemic has been challenging at best. Out of concern for the safety of its many employees during this unusual and difficult time, Cumulus made the business decision to require its employees to work from home until July 1, 2021 (and possibly longer). This has had a significant impact on the SEU’s ability to gather the documents necessary to complete its response to the Letter. Further, the member of its outside communications counsel assisting with preparation of this audit response has been dealing with a serious family emergency. In order to assemble the documentation requested in the Letter and present a well-organized and thorough response, Cumulus respectfully requests an extension of time, until May 26, 2021, to complete its reply.

We appreciate your consideration and look forward to your response.

Kind regards,

Dawn
