# of Interviewees for position and referral sources of interviewees	8 Interviewees Other Job Board (2) LinkedIn (5) TU Careers Website (1)

Date: 9/13/2022
Job Title: Meteorologist Regular/Part Time
Department: News
Reports to: News Director
Location: Remote/Chicago
FLSA: Non-Exempt

ABOUT THE ROLE & TEAM:

The Local Media News Department is seeking a motivated, experienced, organized and project-focused Meteorologist to join the team in Chicago.

ABOUT YOU:

The ideal candidate must be a certified broadcast meteorologist and have an “always-on” weather mindset. He or she should be an excellent communicator, possess commanding and professional on-camera presence with top-notch judgment. Our meteorologists are aggressive when covering active weather, keeping our audience informed across multiple platforms. Our meteorologists work in a collaborative and supportive role with our news producers, assignment desk, reporters, our weather team in Houston and with the local meteorologists at the National Weather Service. They are key to ensuring we produce our weather content creatively, on air, online and on radio.

YOUR DAY-DAY:

- Produce and effectively present daily forecast
- Develop strategies for multiple dayparts, identifying opportunities to produce content for specific newscasts
- Clearly communicating weather forecast and risk for potential active weather across platforms
- Conceive creative graphics and execute them on air and online
- Work in supportive role with other meteorologists to help produce content
- Coordinates with news department to produce news coverage of active weather events
- Produce and share content specifically designed for digital platforms
- Work in supportive role with other meteorologists to help produce content

YOU HAVE:

- College degree in meteorological sciences or equivalent technical training in a meteorology-related institutional setting
- 2+ years of experience as a meteorologist, on-air in medium to large size markets
- Well-versed in the latest weather technology, including WSI Max
- Thrive under pressure, meeting tight deadlines
- Flexibility to work any shift including overnight, weekends and holidays
- Excellent oral and written communication skills in English and Spanish
- CBM/NWA seal is desired
- High regard for details
- Ability to prioritize, self-start and meet deadlines
- Knowledge of synoptic meteorology, tropical and radar forecasting tools
- Technology savvy with excellent computer skills
- Must be willing to travel as needed
- Applicants must be currently authorized to work in the United States on a full-time basis
- Must be able to work in outdoor and inclement weather conditions

- Ability to stand, walk, bend, type, edit, reach, and sit for up to (8) hours

JOB TITLE: Anchor/Reporter

LOCATION: Chicago

ABOUT THE ROLE & TEAM:

Univision Chicago is looking for a **Full Time Anchor/Reporter** to join our team!

Univision Television Group is seeking a Full Time Anchor/Reporter for their local morning newscast in Chicago, Illinois to produce award-winning content for the Spanish language broadcast network. Univision Chicago's Newscast at 5pm and 10pm is a market leader despite language in the 3rd largest market in English and 6th largest market in Spanish.

ABOUT YOU:

Candidate will need to possess a strong understanding of content and compelling storytelling across all platforms, production workflows and be able to lead in high stress situations. Strong preference is given to individuals with an understanding of Chicago Hispanic demographics, geography, and newsmakers in the market.

This journalist should have strong writing and producing skills by writing and presenting accurate, balanced news stories and anchoring for the station's newscasts. Responsibilities include, but are not limited to: writing, investigating, daily newsgathering, and reporting as well as appearances at community and station events in a fast-paced, extremely competitive market. Candidate should be very familiar with digital technology and social media and be committed to continue advancing their skills in a changing environment. Strong breaking news capabilities are a plus.

YOUR DAY-DAY: (aka Responsibilities)

- Produce and report news stories using ENG equipment, non-linear editing equipment, and related broadcasting equipment and newsroom computer systems
- Research, investigate, interview, write, produce and report daily news packages, explainers, show and tells, special news series or weather-related stories on tape and/or live from the field.
- Write and proofread copy for accuracy prior to going on air
- Responsible for writing and production of news briefs.
- Provide content for the station's websites and social media channels.
- Able to make quick, smart decisions in conjunction with other members of a news team
- Establish a good working-relationship with newscast producers and co-anchors to ensure a well-paced, accurate and informative broadcast.

- Present a visually captivating and journalistically strong command of editorial standards, ethics and legal matters pertaining to broadcast.
- Ability to produce content for social media.

YOU HAVE: (aka Qualifications)

- Bachelor's Degree in Journalism or related field.
- Prior experience in Spanish language broadcasting.
- Working knowledge of newsroom operation system (iNews, vizRT).
- Must be bilingual with the ability to write fluently in Spanish and English.
- Must be able to multi-task, work well under extreme pressure, and communicate effectively.
- Able to work in a team environment to produce newscasts, specials, and breaking news.
- Work flexible hours, including overnight shift. holidays, weekends, and evenings.

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks, and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options.

JOB TITLE: News Producer

LOCATION: Chicago

ABOUT THE ROLE & TEAM:

Univision Chicago is looking for a **Full Time News Producer** to join our team!

Univision Television Group is seeking a Full Time News Producer for their local newscast in Chicago, Illinois to produce award-winning content for the Spanish language broadcast network and produce content for digital and streaming platforms. Univision Chicago's Newscast at 5pm and 10pm is a market leader despite language in the 3rd largest market in English and 6th largest market in Spanish.

ABOUT YOU:

Candidate will lead in breaking news and severe weather coverage, needs to possess a strong understanding of investigative content and compelling storytelling across all platforms including streaming, production workflows and be able to lead in high stress situations. Strong preference is given to individuals with experience navigating open record laws, including FOIA and database analysis, an understanding of Chicago Hispanic demographics, geography, and newsmakers in the market.

Producer will coordinate the technical and editorial needs to deliver the editorial teams' strategic vision by working hand in hand with reporters, writers, anchors, cameramen, assignment desk editors, technical directors, engineers, and news management. Producer will have a digital first approach develop, research, and produce investigative stories. Candidate must have a very strong command of Spanish language and will be required to write and edit scripts for grammar and news accuracy. Candidate should be very familiar with digital technology and social media and be committed to continue advancing their skills in a changing environment.

YOUR DAY-DAY: (aka Responsibilities)

- Prepare rundown; assign, write, review, and edit all news scripts; control quality of copy, video and graphics to ensure a high-quality newscast
- Produce streaming content, breaking news and severe weather.
- Create graphics as needed for shows.
- Perform computer-assisted reporting research and database analysis
- Navigate open records laws, including FOIA
- Maintain highest standards of integrity in preproduction and execution of daily newscast(s)

- Think creatively, maintain a fast pace, and handle multiple tasks simultaneously, including live remotes, social media channels and satellite sources while acting as line producer
- Provide content for the station's websites and social media channels.
- Responsible for writing and production of news briefs and promos
- Able to make quick, smart decisions in conjunction with other members of a news team
- Present a visually captivating and journalistically strong command of editorial standards, ethics and legal matters pertaining to broadcast

YOU HAVE: (aka Qualifications)

- Bachelor's Degree in Journalism or related field.
- At least 2 years' experience in a major news market.
- Working knowledge of newsroom operation system (iNews, vizRT).
- Must be bilingual with the ability to write fluently in Spanish and English.
- Must be comfortable leading a control room environment during live broadcasts.
- Able to work in a team environment to produce newscasts, specials, and breaking news

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. Producer

[Apply](#)[Apply](#) Chicago, IL Full time Posted 3 Days Ago R014235

ABOUT THE ROLE & TEAM:

Univision Chicago is looking for a Full Time News Producer to join our team!

Univision Television Group is seeking a Full Time News Producer for their local newscast in Chicago, Illinois to produce award-winning content for the Spanish language broadcast network and produce content for digital and streaming platforms. Univision Chicago's Newscast at 5pm and 10pm is a market leader despite language in the 3rd largest market in English and 6th largest market in Spanish.

ABOUT YOU:

Candidate will lead in breaking news and severe weather coverage, needs to possess a strong understanding of investigative content and compelling storytelling across all platforms including streaming, production workflows and be able to lead in high stress situations. Strong preference is given to individuals with experience navigating open record laws, including FOIA and database analysis, an understanding of Chicago Hispanic demographics, geography, and newsmakers in the market.

Producer will coordinate the technical and editorial needs to deliver the editorial teams' strategic vision by working hand in hand with reporters, writers, anchors, cameramen, assignment desk editors, technical directors, engineers, and news management. Producer will have a digital first approach develop, research, and produce investigative stories. Candidate must have a very strong command of Spanish language and will be required to write and edit scripts for grammar and news accuracy. Candidate should be very familiar with digital technology and social media and be committed to continue advancing their skills in a changing environment.

YOUR DAY-DAY:

- Prepare rundown; assign, write, review, and edit all news scripts; control quality of copy, video and graphics to ensure a high-quality newscast
- Produce streaming content, breaking news and severe weather.
- Create graphics as needed for shows.
- Perform computer-assisted reporting research and database analysis
- Navigate open records laws, including FOIA
- Maintain highest standards of integrity in preproduction and execution of daily newscast(s)

Producer

[Apply](#)

matters pertaining to broadcast

YOU HAVE:

- Bachelor's Degree in Journalism or related field.
- At least 2 years' experience in a major news market.
- Working knowledge of newsroom operation system (iNews, vizRT).
- Must be bilingual with the ability to write fluently in Spanish and English.
- Must be comfortable leading a control room environment during live broadcasts.
- Able to work in a team environment to produce newscasts, specials, and breaking news

OUR BENEFITS:

TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks, and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options.

Univision requires that all U.S. and Puerto Rico employees be vaccinated against COVID-19. This position will require the successful candidate to submit proof of vaccination. The Company is an equal opportunity employer, and will reasonably accommodate a qualified candidate, who may be unable to be vaccinated, consistent with federal, state, and local law.

Univision is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.

About Us

Producer

[Apply](#)The logo for TelevisaUnivision, featuring the word "Televisa" in a smaller, white, sans-serif font above the word "Univision" in a larger, white, sans-serif font, both set against a red-to-orange gradient background.

About TelevisaUnivision

As the leading Spanish-language media and content company in the world, TelevisaUnivision features the largest library of owned content and industry-leading production capabilities that power its streaming, digital and linear television offerings, as well as its radio platforms. The Company's media portfolio includes the top-rated broadcast networks Univision and UniMás in the U.S. and Las Estrellas and Canal 5 in Mexico.

JOB TITLE: Maintenance Technician

LOCATION: Chicago, IL (on site)

ABOUT THE ROLE & TEAM:

TelevisaUnivision Local Media Chicago has an opportunity for a Maintenance Technician. This position participates in the installation, maintenance and repair of TV and Radio studio/transmitter equipment to maintain competitive signals in the market while complying with all FCC technical requirements. Responsibilities include maintaining telecommunications, computers, networking systems and integrating platforms for online content.

ABOUT YOU:

You are a motivated, enthusiastic self-starter who can work effectively in a team as well as independent.

YOUR DAY-DAY:

- Maintains station operation through preventive and corrective maintenance.
- Establishes and follows routine maintenance procedures and schedules for all broadcast equipment.
- Works with Radio programming, TV news and Operations department to maintain broadcast equipment as needed.
- Ensures station compliance with rules and regulations applicable to FCC, local, state, and federal, laws.
- Performs necessary measurements of equipment performance.
- Installs and performs maintenance on control consoles, audio routers, recording equipment, microphones, digital audio systems, transmitters, antennas, control systems, remote equipment, etc. Provides maintenance/support of computer networks and related systems.

YOU HAVE:

- Basic knowledge of applicable FCC rules and regulations
- Television automation experience
- Working knowledge of computer networking technology.
- Ability to troubleshoot broadcast equipment to the component level.
- Knowledge of high-power FM and TV transmitting facilities.
- Familiarity with RCS-Zetta and Avid software/hardware products a plus.
- Knowledge of generators and UPS systems.
- Ability to read and interpret design documentation, including elevations, connection drawings and schematics.

- Associate Degree in Electronics, Communications, or equivalent combination of education, Military training in electronics/communications technology and work-related experience.
- Minimum 3 years Broadcast experience with TV/Radio Studio and transmission facilities.
- SBE Certification preferred.
- Valid driver's license and an insurable driving record required.
- Ability to lift or move up to 50 lbs.
- Ability to climb ladders and working on elevated surfaces (e.g. rooftops).
- Manual dexterity for soldering, use of hand tools and working on small components.
- Ability to be on-call to respond to studio and transmission systems failures at remote transmitting locations.
- Must be willing to work from office in Chicago, IL
- Must have unrestricted authorization to work in the United States

OUR BENEFITS:

- TelevisaUnivision believes that a happy, well-balanced employee is what makes our culture thrive. We offer a wide selection of perks and benefits including PTO; tuition reimbursement; wellness and employee support programs; 401K; and life and other insurance plans. This is all in addition to our comprehensive and competitive health benefits package featuring medical, dental and vision coverage options. *Position is represented by NABET-CWA*
