Re: KKCO(TV), Grand Junction, CO; KKTV(TV), Colorado Springs, CO
Retransmission Consent Election Notice

To Whom It May Concern:

Gray Media Group, Inc. (“Gray”) provides Futurum Communications Corporation (“Operator”) with this notice pursuant to Section 325 of the Communications Act of 1934, as amended, and Section 76.64(k) of the Rules and Regulations of the Federal Communications Commission. Gray is parent to the licensee of KKCO(TV), which is assigned to the Grand Junction-Montrose, Colorado Designated Market Area and KKTV(TV), which is assigned to the Colorado Springs, Colorado Designated Market Area (individually a “Station” and collectively the “Stations”).

We recently received a formal notice from you announcing your intention to launch a new cable television service in the Colorado Springs DMA. However, it is my understanding that you intend to operate a system in the Grand Junction DMA. Regardless, for the period ending December 31, 2020, Gray hereby elects RETRANSMISSION CONSENT with respect to the primary video stream of each Station’s digital signal on each of Operator’s multichannel video programming distribution systems in each Station’s respective market, as applicable, including but not limited to the system serving a portion of each Station’s respective DMA.

We have sent you Gray’s standard retransmission consent agreement via e-mail to begin good faith negotiations. Please direct any questions regarding this election to me at the address on this letter.

Very truly yours,

Stacey Stewart
Vice President, KKCO
