

## WPRL 91.7 FM Quarterly Issues Program List

October-December 2023

Placed in the Public File on December 21, 2023

Events: Mississippi State Fair: The Alcorn State University Extension Program attended the Mississippi State Fair for the last 20 years. WPRL 91.7 FM has been right there covering the state fair for them. During the October 11-13, 2023 (3 days) that we were there, we interviewed the Agriculture Commissioner Andy Gipson, students from schools across the state, and the College of Agriculture and Applied Sciences Administration. And on the fun side we get to try out a lot the different foods at the fair.
