Quarterly Issues Programs List for Station – WTL-FM
July 1 – September 30, 2019
Placed in Public File – October 10, 2019

Section I. Issues.

The station has identified the following issues as significant issues facing our community in this quarter:

- A. New School Year:** WTL once again assisted the school and the Student Activities Department in the promotion and kick-off of the new school year.
- B. Co-Curricular Night:** To help facilitate student involvement and awareness of WTL Radio, we participated in Co-Curricular Night.
- C. LTHS Football:** The community, as always, asks that WTL provides live play-by-play coverage of LTHS Football, and again this Fall WTL was able to meet this need.

Section II. Responsive Programs

The station has broadcast programming dealing with each of the above-referenced issues. Programming dealing with each issue is set out below:

A. New School Year:

Live Event Broadcasts. – WTL provided two live broadcasts for LTHS students on Wednesday, August 14. The first was from “Freshman Experience Day,” from 7:45am to 3pm. This is a day where LTHS incoming freshman can show up “learn the ropes” of LTHS without any other students present, giving them a feeling of safety and confidence to start off the new school year.

WTL also broadcast later that afternoon from a dance/celebration for LTHS students in support of the new school year from 2 to 3:30pm

B. WTL Involvement

Co-Curricular Night: WTL always receives an influx of calls and emails asking how students can get involved in this, their school radio station and even other LTHS clubs and activities. In order to meet this need, WTL broadcast live from the LTHS Co-Curricular Night on Wednesday, August 21 from 6:30-9pm at South Campus. While there, students could sign-up to join WTL (as well as other LTHS clubs).

C. LTHS Student Sports

Live Football Broadcasts: LTHS community members consistently ask that WLTL provide play-by-play coverage for LTHS sports, most notably, football. This fall, WLTL was able to provide live play-by-play coverage for every home and away football game this quarter (with more to come in the fourth quarter), for a total of more than 35 hours of live broadcasts.
