- (a) Initiative:** (v) establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.

Description of the initiative, including the nature of the activity, the scope of participation by the station (include station personnel involved by title) and specific date/time/place information.

The Employment Unit has developed an internship program to help students in the community acquire the skills necessary for a successful career in the broadcast industry. There are three sessions a year: summer, fall and spring. From fall 2020 through fall 2021, 4 students from 4 different colleges and universities have served as interns at stations within the Employment Unit. The program ensures each intern receives the necessary training and exposure. The Employment Unit advertises the program at all local colleges and universities and on its stations' web sites. Two of these interns have been hired into a part-time position at the Employment Unit.

- (b) Initiative:** (xi) sponsorship of at least two events in the community designed to inform the public as to the employment opportunities in broadcasting

Description of the initiative, including the nature of the activity, the scope of participation by the station (include station personnel involved by title) and specific date/time/place information.

The employment unit gives tours to Scout Dens wanting to learn more about broadcasting. Between October '20 and September '21 two Cub Scout groups visited the employment unit. The tour groups were shown the complete broadcast set up. They also received an explanation of what responsibilities each employee has in the day to day operations of a radio station and how operations were changed due to COVID protocols. Most show hosts have spoken at lunch engagements in the metro area about sports journalism.

- (c) Initiative:** (viii) establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.

Description of the initiative, including the nature of the activity, the scope of participation by the station (include station personnel involved by title) and specific date/time/place information.

The Employment Unit offers training opportunities at no cost to its employees. Through these training opportunities, employees are exposed to the skills needed for higher-level positions. The sales, accounting, traffic and management departments have completed 13 weeks of training on the employment units new commercial scheduling/billing software.

- (d) Initiative:** (x) participation in at least four events or programs sponsored by educational institutions relating to career opportunities in broadcasting.

Description of the initiative, including the nature of the activity, the scope of participation by the station (include station personnel involved by title) and specific date/time/place information.

All through the Spring semester, our Production Director Ben Messner, spoke with classes at Johnson County Community College about jobs in radio, specifically production and promotions. He discussed responsibilities and trained students in basic skills needed.

In September of 2021, Union Broadcasting Director of Operations spoke virtually to Shawnee Mission East High School kids about how working in broadcasting has changed over the last 25 years.

Over a two week period in May, Gary Hailes, our National Sales Manager, spoke with groups of graduating seniors from Ottawa University.

Mid-day co-host, Kurtis Seaboldt, spoke virtually with kids at Center Middle School's Career Day in November 2020.
