

WCFB
Daytona Beach, Florida

Each quarter, **WCFB** places in its Online Public Inspection File, a list of what it considers programming addressing some of the significant issues for the station's community. The following is a list of issue-responsive programming aired on the station between July 1, 2022 through September 30, 2022. While this list contains a brief description of some of **WCFB's** most significant programs, it doesn't include all programs and program segments broadcast by the station during the second quarter. Please contact the station for more information about the station's issue-responsive programming.
