¹ 73.3526 (e) (11) (i), (e) (12); 73.3527(e) (8) *Issues/programs lists*. For AM, FM, TV and Class A broadcast stations, every three months a list of programs that provided the station's most significant treatment of community issues during the preceding three month period. The list for each calendar quarter is to be filed by the tenth day of the succeeding calendar quarter (e.g., January 10, April 10, July 10, and October 10). The list shall include a brief narrative describing what issues were given significant treatment and the programming that provided this treatment. The description of the programs shall include, but shall not be limited to, the time, date, duration, and title of each program in which the issue was treated. The lists described in this paragraph shall be retained in the public inspection file until final action has been taken on the station's next license renewal application.
