Narrative describing the program

Keith urged the listeners to wait on the weather,, stressing the unsettled frost and the cold temperatures in the next few weeks. He stated that frost is the enemy of young plants and a replanting would be the obvious. He also made mention of the fact of ground temperature. It is essential that the ground be warm for most plants and seeds to germinate. Spring is here but the temperatures don't balance out with the dates.

Narrative describing the program

Rev. Lanter and Mrs. Davis are ordained ministers of the Gospel and enjoyed talking about their faith and talking about the miracle of resurrection. The cross was described as the sins being taken away through Jesus's suffering on the cross and we are forgiven of our sins. Jesus paid the price for our sins and this awesome story in the bible tells us that we have a chance at a life after death. A relationship with Jesus is the doctrine of the Christian Community and the new testament and it is only through the belief in Jesus that we will be resurrected as well .
