## **FCC REPORT QUARTER 1: JANUARY 1<sup>ST</sup> 2018 – MARCH 31<sup>ST</sup> 2018**

### **JANUARY**

**1**

New Years Baby                      PKG                      2:16

Within the first half hour of the New Year, we welcomed the first baby of 2018 in the metro into the world. Just a few hours later another family welcomed their bundle of joy into their arms. Marla Banish's due date was February 14th, Valentine's Day, but her baby girl decided to come early.

Cold wx can kill your battery VOSOT                      :50

The constant negative temperatures can be painful, but they can also end the life of your vehicle's battery.

**2**

Bison Nation                              PKG                      1:46

We're just days away from the big Bison game in Frisco and the NDSU bookstore has some new items.

Child Development Class      PKG                      1:45

A child development class at Sheyenne High School is taking one of their projects well beyond the classroom. Not only is it teaching the students life skills, but they'll be making donations to babies stricken by poverty in the community.

**3**

Homeless                                      VO                      :30

Those who have been in need of shelter staying at the Moorhead Armory are now being moved to the Dilworth Community Center until the end of January.

Backyard Birds                              PKG                      1:45

Some homeowners in the region may be looking to lure birds to brighten up their backyards during the dull winter months. But there may be a few things to consider before buying your first bird feeder.

**4**

Cyber Hacker                              VOSOT                      :45

Security researchers have found just about every phone and computer containing a chip from Intel, Advanced Micro Devices and ARM Holdings could be hacked.

Brain Trauma                      PKG                      1:45

Many people who have come to Heartsprings Community Healing Center with a traumatic brain injury say they often feel isolated from society because of their disability. The F-M Area Foundation is now helping the healing center provide art therapy classes for those individuals.

**5**

Outdoor Activities      PKG                      1:45

Some better weather this weekend means it's time to spend a little more time outdoors. The activities you can start getting involved in this season. The holidays may be over but the winter fun is only beginning in Fargo-Moorhead.

Blue Ribbon Opioid      VOSOT                      :45

The Mayors' Blue Ribbon Commission is trying to educate more people in the Metro about what it means to struggle with addiction.

**6**

Boil Order                      VO                      :30

People in Pelican Rapids are under a water boil advisory.

Thank You Cards      VOSOT                      :45

We can't forget to thank all the people who gave us gifts for the holidays. That's why the Creative Plains Foundation provided free materials for kids to make thank you cards. Kids created their own cards instead of just filling out ones from the store. Creative Plains hosted the event to also help kids express themselves more.

**7**

Assault Arrest              VOSOT                      :45

UND Police make an arrest in an attempted sexual assault on campus.

Teen fights back against bullies      PKG      2:00

About one in three students in the U.S. say they have been bullied at school. One Minnesota fifth grader is trying to fix that.

**8**

Human Trafficking Native Americans      PKG      1:20

The Native American community in Fargo lost one of their own this year but now the community is trying to prevent further crime and human trafficking.

Preventing the Flu              VOSOT                      :45

Many people look forward to the holidays, but spending time with loved ones could be getting you sick. Doctors say the holidays can always play a factor in the number of flu cases because there are larger numbers of people gathered together in one space.

**9**

Escaping the Cold    PKG                      1:30

With another outbreak of arctic weather arriving this weekend, many could be looking for an escape from the cold.

Fargo future w/ Mayor    PKG                      2:00

On New Years Eve we spoke with the mayors of West Fargo, Moorhead, and Dilworth about their 2017 accomplishments and what they would like to see in 2018. We sit down with Fargo Mayor Tim Mahoney to hear about what's ahead for the city.

**10**

Protecting pets in cold wx    PKG                      1:45

Many of us know how to protect ourselves from the worst winter weather. But how do you protect your pets?

Protecting local dreamers/DACA    PKG    1:45

There are about 700,000 dreamers in the United States scared for their futures, as the Trump Administration is trying to phase out DACA. KVRr tells us how one national organization is helping undocumented people and supporters have their voices heard.

**11**

Surviving the Blizzard                      PKG    1:45

Wednesday night's winter storm has made it much harder for people in the metro to travel. KVRr's Jessie Cohen was out in the blizzard to speak to drivers about their journey in our lead story.

Giving Hearts                                      VOSOT :45

If you're wondering where to donate your charitable dollars for Giving Hearts Day on February 8th, there's a rescue animal ambassador doing his part to raise awareness.

**12**

Ice Harvesting                                      PKG    1:45

Ice harvesting was the second largest industry right behind forestry in Detroit Lakes. Now, it's making its comeback more than 40 years later.

**13**

Cyclebar Fundraiser      PKG      1:30

Students at Davies High School are trying to pedal out muscular dystrophy one cycle at a time. KVRr's Danielle Church has more on what they're doing to help those with the rare, genetic disease.

Healthy Food at Co-op      VOSOT      :35

Prairie Roots Food Co-Op taught kids and their parents how to create healthier snacks. They made energy bites with locally made ingredients including sunflower butter, oats and chocolate chips.

**14**

North Dakota Pageant      PKG      1:45

The title holders for the North Dakota International Pageant are handing down their crowns. KVRr's Jessie Cohen tells us about the night these women will never forget.

Benefit for Cancer Survivor      VOSOT      :35

Six years ago a North Dakota woman with soft tissue sarcoma was told she had a year and a half to live. Today Sharron Ahlfeldt is still battling her cancer and her co-workers are trying to help.

**15**

MLK Events      PKG      1:45

This is Martin Luther King Day and although many people have the day off, others are taking the time to celebrate the legacy of the civil rights leader.

**16**

Volunteer Firefighters      PKG      1:45

State of North Dakota campaign to get firefighters in small towns for Volunteer departments.

Small Town Development      PKG      1:45

The city of Dilworth has grown by 50 percent since the year 2000...However, it has been eight years since the last major housing project in the city. Dilworth hopes that two new developments can attract more to move to Dilworth and lead to even more growth in the future.

**17**

Local Gyms Preventing Abuse      PKG      1:45

After a major sexual abuse scandal rocked the U.S. gymnastics world, many gyms across the country are taking precautions to protect their athletes. One of them includes American Gold Gymnastics right here in Fargo.
