I have reviewed the program logs for WGN-TV children's programming described above on the broadcast day identified above. The commercial time actually broadcast during each clock hour of children's programs was no greater than 12 minutes (weekdays) or 10.5 minutes (weekends). For children's programs broadcast in the same clock hour as non children's programs, the commercial time actually broadcast during the children's program was no greater than a prorated share of 12 minutes (weekdays) or 10.5 minutes (weekends).
