### CROSSTALK

2/14/2013 55 MIN Jim Schneider and Cheryl Sullenger  
M-F 2:00PM, Cheryl Sullenger is Senior Policy Advisor for "Operation Rescue," and she discussed  
REPEAT 8:00PM how abortion has not become the safe procedure for the mother that Planned  
Parenthood and other abortion providers and advocates make it out to be. In spite of  
the laws passed by nine Supreme Court Justices in 1973, it is still against God's laws.  
Cheryl related the story of a 29-year-old New York kindergarten teacher who was  
persuaded to have an elective, late-term abortion in Maryland in the 33rd week of her  
pregnancy, because the unborn baby had been determined to have a birth defect.  
The woman developed complications from the abortion and died on February 7th  
because of internal bleeding. If a gun had been involved in the death of this woman, it  
would have been splashed all over the national major news sources, but since it was  
death by an abortion, it was not even mentioned on the national news on any of the  
mass media news sources.

### FAITH AND FREEDOM

### CROSSTALK

1/29/2013 55 MIN Jim Schneider and Dave Christiano  
M-F 2:00PM, Dave Christiano is a film writer, producer, and director, and he discussed the purity  
REPEAT 8:00PM package that the Christiano brothers are offering with two DVD's, "Pamela's Prayer"  
and "One Lucky Lady." These are meant to encourage purity before marriage and  
after marriage to keep oneself pure for their spouse. Our society encourages  
immorality in any form and at any time. These two films go contrary to the cultural  
norms.

### VCY TODAY

1/31/2013 15 MIN Vic Eliason  
M-F 8:00AM Vic talked briefly about the religious persecution of the chaplains in the military in  
telling them what they can and cannot preach or whether they can pray in Jesus'  
Name. He also mentioned that VCY America is considering beginning an I-Network,  
just in case the government tries to shut down Christian broadcasters, and VCY is no  
longer allowed to broadcast. It would be a way to get news out to our listeners over  
the Internet.

### VCY TODAY

2/7/2013 15 MIN Vic Eliason  
M-F 8:00AM Vic mentioned that the interview of Milwaukee County Sheriff David Clarke last night  
on TV 30's "In Focus" program went very well.

### VCY TODAY

2/27/2013 15 MIN Vic Eliason  
M-F 8:00AM Vic talked again about the I-Network that VCY has set up as an alternate source of  
information for our listeners in case the government closes down Christian radio.  
People can easily enroll or disenroll in the network.

### CROSSTALK

2/28/2013 55 MIN Vic Eliason  
M-F 2:00PM, Vic discussed listener concerns about news items seen on "Facebook." He  
REPEAT 8:00PM mentioned concerns about runaway government spending that the GAO released a  
statement about saying that barring major policy changes, the present fiscal path that  
the federal government is on is unsustainable. Vic also mentioned the concerns about  
military and special operations maneuvers taking place in several major American  
cities involving Blackhawk helicopters, tanks, military special ops, and, in some  
cases, local police. Vic also mentioned the concerns about government departments  
such as the Social Security Administration and the Department of Homeland Security  
purchasing over two billion rounds of ammunition. He also mentioned the threats  
circulated by the White House about the threatened "sequester" that may kick in  
automatic government spending cuts, threatening cuts in teachers, law enforcement  
agencies, military cuts, and many other hot button issues. Finally, Vic mentioned  
information about the VCY I-Network that would kick in if the government should step  
in and take over Christian radio. This would be a system to get information out to our  
listeners by email in the event of such a government takeover.

### CROSSTALK

3/4/2013 55 MIN Jim Schneider  
M-F 2:00PM, Jim read a letter about information on Facebook. Before he read the letter, he  
REPEAT 8:00PM discussed whether Facebook is a friend or foe to Christians, and he mentioned that  
John Brennan is being proposed by President Obama as the appointee as the next  
Director of the CIA. If nominated, he would be the most pro-Islam Director of the CIA.  
He then gave some comments about the use of Facebook. Many Christians say  
things on Facebook that they would never say in any other venue. It can be used to  
help friends keep up on families, but it can also reveal what is in the human heart.

### VCY TODAY

3/28/2013 15 MIN Vic Eliason

M-F 8:00AM Vic mentioned that the quote he used on yesterday's program should not have been ascribed to Professor Olson.

The host of the conference is Louie Giglio. Other speakers that are being promoted are Gary Haughan, who promotes social justice to fight sex-trafficking or trade through the UN and global courts. Others are Bob Johnson who pastors the church in California that claims the Shekinah Glory Cloud was hovering outside their church. Beth Moore, John Piper, Judah Smith of Seattle, Washington, Chris Tomlin, and Francis Chan are also speakers being promoted. These are all NAR and Word Of Faith type individuals. The Christian rock bands that are scheduled to perform are being used to draw many of these young people in and whip them into a frenzy, and then preach their false doctrine to them. They teach a collective salvation. These people are taking advantage of the idealism of youth who want to make an impact on the world.

They went more in depth into two of the main speakers Louie Giglio and Gary Haugen who is with the "International Justice Mission." Haugen has some questionable people on his board. He is a big advocate of social justice and is a proponent of Jim Wallace who is an out and out Neo-Marxist. Haugen promoted "Passion 2013" as an event to raise funds to fight worldwide sex trafficking or slavery, but their definition of slavery is not how we would define it.

### WORLDVIEW WEEKEND RADIO

1/8/2013 55 MIN Brannon Howse and Chris Rosebrough

M-F 1:00PM

Chris Rosebrough is with "FightingForTheFaith.com," and he and Brannon did a short follow-up on the "Passion 2013" conference, with special emphasis on Louie Giglio and his questionable associations and "International Justice Mission." ### WORLDVIEW WEEKEND RADIO

1/16/2013 55 MIN Brannon Howse

M-F 1:00PM

Brannon talked about the ministry of Pastor Perry Noble of the ""New Spring Church" of Anderson, S.C. This man pastors a very large church and speaks at many conferences. Many think he is being held up as a model of what a new pastor should be and what a new church should be. He seems to be rebellious toward anything that is conservative, Biblical, or Orthodox. He does not seem to want to be a shepherd or a mentor that people can follow. He uses much graphic, cursing language in his preaching. He is in the mold of many of the Consumer-Driven Churches such as that of Steven Furtick of "Elevation Church" of Charlotte, N.C. He and those like him want to start a revolution away from traditional Christianity. This man does not qualify as a pastor, nor does his organization qualify as a church.

### WORLDVIEW WEEKEND RADIO

1/17/2013 55 MIN Brannon Howse

M-F 1:00PM

Brannon began by discussing how the Neo-Marxists and Muslims are coming together to try to destroy America. There is a push by the Obama Administration to disarm law-abiding Americans with stronger, more comprehensive gun control, but then arming the Muslim Brotherhood-controlled Egypt with F-16's and M1A1 Abrams Tanks. There is also a push by Neo-Evangelicals and the New Religious Right for amnesty for illegal aliens. He then continued talking about the ministry of Perry Noble, Pastor of "New Spring Church" of Anderson, S.C. He builds his church on the Market-Driven philosophy, calling Jesus a "Product." His staff members have no formal theological training, but know marketing and business methodology, because his church is run like a business, with the unsaved and unchurched as their target audience.

### WORLDVIEW WEEKEND RADIO

1/21/2013 55 MIN Brannon Howse and Michael Furchert (by recording)

M-F 1:00PM

Brannon played an audio clip of Michael Furchert who is a pastor in the Midwest. He gave his testimony of growing up under the Communist regime of East Germany. He told of how his grandfather opposed the Nazis under Hitler's Third Reich, and his father opposed the Communist regime of East Germany. He said when he was 17, the Berlin Wall came down. Their Christian faith helped the three generations of their family have victory after victory during these oppressive regimes. Michael is also a concert pianist, and he played a musical piece at the end of his message.

### WORLDVIEW WEEKEND RADIO

M-F 1:00PM

Michael Furchert is a pastor in the Midwest. He gave his testimony of growing up under the Communist regime of East Germany. He told of how his grandfather opposed the Nazis under Hitler's Third Reich, and his father opposed the Communist regime of East Germany. He said when he was 17, the Berlin Wall came down. Their Christian faith helped the three generations of their family have victory after victory during these oppressive regimes. Michael is also a concert pianist, and he played a musical piece at the end of his message. He told of how the East German authorities, who were not giving out any visas to anyone, but he and his family wanted to attend his grandparents' 60th wedding anniversary in West Berlin. His family prayed that God would lay it upon the heart of some official to allow them to obtain the visas. Some how they received their visas. They found out later it was a Communist official who had attended his father's church and felt he could be trusted to return after their visit, and he put his job and life on the line by allowing them to have their visas. This was Part 2 of his testimony.

### WORLDVIEW WEEKEND RADIO

1/31/2013 55 MIN Brannon Howse

M-F 1:00PM

Brannon discussed how he believes the Seeker Sensitive Movement or Mega Church Movement will eventually give way to the Emergent Church Movement or Eastern mysticism, Gnosticism, or New Ageism. He gave some examples of Bill Hybel's church in Chicago which is a Seeker Sensitive Church which is fast becoming an Emergent Church. Rick Warren's church, which, again, is a Seeker Sensitive Church is fast becoming an Emergent Church with the speakers he has had and some of the teachings coming out of that church. Brannon played some audio clips of John Mark Comer, who is pastor of a Mega Church, "Solid Rock Church" of Portland, Oregon, teaching on what he believes that there are many gods. Jehovah, he says, is the greatest of the Gods, but there are many other Elohim or Gods. There is nothing in the Bible that teaches that there are many gods, but only demons who are masquerading as gods.

### CROSSTALK

2/6/2013 55 MIN Jim Schneider and Jay Seegert  
M-F 2:00PM, Jim began the program by announcing that the Boy Scouts of America have delayed

Jay Seegert is the Co-Founder and Principle Lecturer for the "Creation Education Center" which was established in 2007 to address the challenge from the secular world regarding the validity and accuracy of the Bible, especially the Creation account as presented in the Book of Genesis, and he discussed the upcoming Evolution Weekend on February 9-10, 2013 where some 600 churches and 12,842 pastors have signed onto a letter recognizing Evolution and will celebrate Darwin's birthday and his, what they call, sound science of Evolution by preaching messages extolling Evolution.

### WORLDVIEW WEEKEND RADIO

2/6/2013 55 MIN Brannon Howse and Michael Furchert  
M-F 1:00PM Michael Furchert grew up under the Communist regime in East Germany, where his grandfather pastored under Hitler's Nazi Germany and Michael's father pastored under the East German Communists. The Berlin Wall fell when Michael was 17. Michael now pastors a church here in America in the Midwest. He discussed what the American churches need to do to prepare for the coming persecution. The strongest persecution may come from the false dominant church rather than the civil government.

### WORLDVIEW WEEKEND RADIO

2/7/2013 55 MIN Brannon Howse and Chris Pinto  
M-F 1:00PM Chris Pinto is with "NoiseOfThunder.com," and he discussed how many Christian Evangelicals are being used to become part of the Trojan Horse or means by which error enters the churches concerning Agenda 21 and social justice. They also discussed how the Pope has received a seat at King David's tomb in Jerusalem. This may be a way to unite all religions in an ecumenical movement, with the Roman Catholic Church wanting a Jewish temple built in Jerusalem.

### WORLDVIEW WEEKEND RADIO

2/11/2013 55 MIN Brannon Howse, Chris Pinto, and Mike Gendron

Jesus made no such claims, and the Bible clearly refers to the Holy Spirit as the "Paraclete" or "Comforter" who would come after Jesus went back to Heaven to His Father. Jesus clearly said He would send the Comforter, the Holy Spirit, but Muslims wrongly believe Allah sent Mohammad to the world to be the comforter. The Comforter, the Holy Spirit, was to reprove the world of sin, of righteousness, and of judgment. Mohammad did not do any of this.

Jesus clearly taught that the Comforter that would come is the Holy Spirit. Mohammad would not fulfill any of the prophecies concerning the coming of the Holy Spirit or the Comforter. Jesus also claimed to be equal with God or God very God as any orthodox Christian would believe. No Muslim would believe that Jesus Christ is God. Ishmael was born of Abraham's wife's Egyptian handmaid Hagar. The Muslim Arab people came from Abraham's concubine wife Keturah. Abraham gave his concubines and their children gifts and sent them away from Isaac. Muslims also say that it was Ishmael that Abraham sacrificed on Mount Moriah, instead of Isaac.

Usama continued his study of the DVD "Discover Islam" and the section on "Christians And Islam." Today he talked about why Muslims make up the story that Mohammad was a direct descendant of Ishmael. It all goes back to their teaching that Abraham did not sacrifice Isaac, but Ishmael on Mount Moriah. Therefore since the Bible says that God talks about the "Seed," they try to make this be Ishmael. In this way, if Mohammad is a direct descendant to Ishmael, then he is a descendant of the promised "Seed." The Bible clearly teaches in the Book of Genesis that Isaac was the young adult son that Abraham attempted to sacrifice on Mount Moriah. The Book of Galatians says further that in Isaac shall thy "Seed" be called. Muslims teach that Ishmael was a little child when Abraham sacrificed him. The Arab people came not from Hagar, the mother of Ishmael, but from Abraham's concubine wife Keturah, whom he married after the death of Sarah.

Usama continued his study of the DVD documentary "Discover Islam" and the section involving "Christians And Islam." Today he discussed how the narrator of the DVD said that Mohammad initially sent about 16 of his followers into Mecca to see if they would be accepted by the Christians and Jews there. The narrator called this an interfaith movement. After being accepted by these people, Mohammad's followers grew, and they took over the area, killing all of the men and taking the women and children as slaves and concubines. This led to invading Medina and eventually taking over the whole Arabian peninsula. The narrator calls Mohammad a prophet, but as of yet, he had not made any prophecies. This is the time when Mohammad's treatment of other faiths changed from being peaceful to conquering and killing those of other faiths. The whole tenor of the writings in the Koran change to being that of conquest. The narrator says that at this time Mohammad lived by the "Golden Rule." This is completely false. He conquered lands for Islam, not by spreading his teachings, but by the sword, not by the "Golden Rule." The narrator says that at the age of 63 the prophet Mohammad died, leaving behind an empire based upon peace. This again is totally fabricated. Islam has always been built upon and spread by the sword, murdering those who would not yield to Islam.

Usama continued his study of the DVD documentary "Discover Islam" and the section dealing with "Christians And Islam." Today he addressed the claim by Muslims that Mohammad did not just come to his own people as the Jewish prophets did, but he came to the whole world as the last prophet. 87% of Muslims have never read the Koran, because it is only written in Arabic, and the majority of Muslims do not read or write Arabic. Mohammad did not come to the whole world unless they mean by this that he came to conquer the whole world. Islam has never spread by evangelizing or teaching the world the Koran, but only by the sword, by killing all of the men in conquered areas, and taking the women and children as slaves and sexual concubines. This goes for Pakistan, Iran, Iraq, Afghanistan, or any other country. They raped the women, producing Muslim children to replace the men who they murdered. Many of the people of the West believe the lies of Muslims that Islam is a religion of peace and love. It is that way now, because Muslims do not have the upper hand, but if they ever get to a place of control or a majority of the population, they will institute Sharia Law, and unbelievers who will not convert to Islam will be murdered, as they are in Muslim-controlled countries today.

Some books say that in 1946 the Middle East was divided into a Palestinian State and a Jewish State, with Jerusalem belonging to both peoples. In 1948 Israel seized all of the divided land. However, the history in the Koran, though it is obviously fabricated, is very similar to that in the Bible, and Usama is sure these liberals would not say about the Koran what they say about the Bible. The goal of these textbooks is to put down the Judeo-Christian way of life that this nation was built upon and elevate the image of Islam. Today he talked about the treatment of Women in Islam. Muslims lie about these things, because they are practicing their religion in doing what Allah in the Koran has told them to do. Islam does not give women any rights. Our animals that are pets in our homes have more rights than women in Islam. Many American women marry Muslim men because they tell their wives they are not practicing Muslims, but after they get married, and when they get their citizenship, they become practicing Muslims and treat their women like Muslims do in the 57 Muslim countries all over the world. It is lawful, according to Mohammad in the Koran, for Muslim men to lie to their wives. Muslims can also lie during times of war or conflict, and they can lie to any one in particular if it is for their benefit. Women, in general, are not allowed to be educated, nor learn how to read in Muslim countries, yet Muslims lie in the textbooks, saying Muslim women have achieved great things in the disciplines of academics and education.

A man may have as many as four wives according to the Koran, if he treats them all equally and loves them equally. However, there is more than one type of marriage in Islam. The man can exchange one wife for another wife. He can trade in an older wife for a younger one. A Muslim man can also have temporary or fun marriage, where he pays the wages for the wife for her time and his enjoyment. This is nothing more than prostitution. He can also have a relationship with another married woman, which is just sexual slavery or concubine-ism. These things are all taught in the Koran. Marriage is not the holy, sacred union that the Bible teaches. However, the textbooks say these things are not practiced by the majority of Muslims. This is a lie. The women are not able to choose their own husbands, but the father or brother or uncle pick out the husband for the woman. She may not even know him, but she must become his wife. The textbooks say that women are honored in Saudi Arabia as wives and mothers. This is a lie. Women cannot go anywhere alone, but they are imprisoned in their house or are accompanied by a man in public. Most men are kind to women in the way they would be kind to or pity someone who is handicapped. Women must use segregated entrances in public buildings such as banks. Women cover their head, hair, eyes, and even faces with the hijab or burqa to try to please Allah. This is not a cultural thing as the textbooks teach, but is because of the teachings of Islam. These things are already being put into practice in countries that have been taken over by Islamists such as Egypt where women are not allowed to serve in positions of leadership. The Koran and Islam do not teach that Allah has a son, and they do not teach the doctrine of the Trinity. The Koran is not even a holy book, but is an unholy book, because it tells many lies. Brannon talked about "white magic" or those who dabble in "black magic" but do so in a Christian setting as in a church or religious group of some kind. Many in the Charismatic movement or the NAR or Name It, Claim It, or Word of Faith are probably dabbling with demons in the supernatural realm. Some claim to have conversations with a being in the supernatural realm. Again, these are probably conversations with demons. The Bible says in many places to have nothing to do with this.

### REVEALING THE TRUTH ABOUT ISLAM

M-F 12:30PM Sept. Usama continued his study of "Lies In The Textbooks." He continued his discussion of how Muslims treated "people of the book" or Christians and Jews down through the ages. Thousands or perhaps millions of Christians and Jews have been murdered by Muslims who consider them infidels.

### REVEALING THE TRUTH ABOUT ISLAM

2/7/2013 25 MIN Usama Dakdok

M-F 12:30PM Sept. Usama continued his study of "Lies In The Textbooks." He talked about how many of the textbooks portray the Jewish people as a people of exile. Somehow they were replaced by another group of people years ago in the Holy Land. The textbooks also talk about three religions in the Holy Land: Christianity, Judaism, and Islam, but Islam is the preferred one. Judaism is just about a people of exile, and their stories are just that--stories, not actual historical accounts. Christians simply believe that Jesus was the coming Messiah. Islam, on the other hand, is a collection of God's revelations to mankind. However, in the creation account in the Koran, it takes Allah 8 days to create everything. Allah also creates 7 heavens and 7 earths. The Koran gives a distorted account of the flood of Noah's time. It even says that Noah has one son who drowns in the flood. There are many other errors in the Koran's accounts. These textbooks give the Koran as a true revelation of God's Word to mankind, but Christianity and Judaism are just stories passed down from generation to generation, but not true historical facts.

They were probably not the stellar examples of Christianity, but they were trying to take back the Christian and Jewish lands that had been conquered by the Muslims in Egypt and Syria. They were very ruthless in their fighting of the Muslims, but they were only doing the same things that the Muslims had done years before to the Jews and Christians of those lands. All of these areas were Christian lands that had been won by the love and preaching of Christ, but they had been taken by the sword by the Muslims.

The textbooks use Kazakhstan as an example of countries that celebrate holidays--Muslim holidays. The textbook publishers use this to try to influence our young children to write to the President to lobby for celebration of Muslim holidays such as Ramadan here in America. This is just like politically correct, radical teachers having their children write letters to the President to have stronger gun control laws, and the President listens to them. Usama continued his study of "Lies In The Textbooks." Many of these textbooks are merely brain washing propaganda by Muslims and liberals to convince our young children to believe lies about history, both world history and American history. It was the Arab League that launched Jihad or a holy war against Israel in 1948, not the other way around as many textbooks falsely teach. The textbook says that the UN granted their homeland to the Palestinians, but the Israelis "seized" much of that land from the Palestinians. Then the text says Israel "seized more" of the land. The three major wars between Israel and the Arab countries in 1948, 1967, and 1973 were all started by the Arab countries, led by Egypt.

Again, many of the textbooks call the Promised Land Palestine and say that the original inhabitants of this land were the Palestinian Arabs, and the Israelis occupied it when they conquered it from the Arabs in 1948, 1967, and 1973. The textbooks lie and say the Jews occupied more of the Palestinians' land each time. This land was given to the Israelis thousands of years ago by God Himself. The people who were there before Israel inhabited it were not Muslim Arabs. All three of the wars between the Jews and Arabs in 1948, 1967, and 1973 were started by the Arab States under Egypt's leadership.

The textbooks try to teach that grandiose religious ideas about Islam travelled by word of mouth along the well-travelled North African trade routes, spreading Islam into Africa. This is totally fabricated, because the Koran was written in Arabic, not a language any of these people could understand. Islam was merely spread by conquest by the sword. The textbooks talk about the spread of Islam from the Indus River to the Atlantic Ocean in a matter of only 100 years. They do finally mention the word "Jihad" in the spread of Islam. This particular textbook talks about the Muslim soldiers performing Jihad. This just goes to show that Islam was spread by the sword, not by religious teaching. However, it does say that the Muslims were very tolerant conquerors, not forcing their religious beliefs on the "people of the book." This is a lie, because the Muslims gave the conquered people the choice of converting to Islam or be killed or pay the tax to remain alive.

Brannon discussed some of the things President Obama talked about last night in his State of the Union Address, especially about education. Brannon talked about how these education goals have been the same since the 1990's, whether the President was Democratic or Republican. In the 1990's the education program under George Bush I was called "School To Work." Under President Clinton it was called "Goals 2000." Under President George Bush II it was called "No Child Left Behind." Now under President Obama it is called "Race To The Top." In all of these it is a merger of big business and big government or "Corporate Fascism" where the government controls or plans the economy, controls who goes to college, and controls what job track you will be placed in. A small percentage of the students (20%) will be allowed to go to college and the remainder will be government employees or "worker bees," doing unskilled labor through government career centers and being part of the government paper shuffling system. These things have been going on in Europe, especially Germany, for years and has failed miserably. Students there are put into educational tracks from their early childhood according to their scores on government-generated standardized tests. They are not allowed to move out of that track. The schools become job training centers for big business.

The Plan B pill and other abortive agents and contraceptives are now approved by HHS to force the employer to provide for their employees, even for Christian organizations. ### WORLDVIEW WEEKEND RADIO

1/1/2013 55 MIN Brannon Howse

M-F 1:00PM

Brannon discussed the origins of "group consensus" or the importance of "community" over the individual. Much of this started with Soren Kierkegaard, a spiritual or "Christian" existentialist/philosopher whose teachings were adopted by Friedrich Nietzsche who was a natural existentialist who also embraced the ideas of a "super-race." Martin Heidegger, who was the first rector of a Nazi German University, used the teachings of Kierkegaard and Nietzsche to sell the idea to the German people of the German super-race, the importance of the "community," and the extermination of inferior forms of humans such as Jews and Roma (Gypsies.) Hitler adopted these teachings to implement the "holocaust." This same philosophy, higher criticism, or the relativity of truth spilled over into the German churches. Brannon believes a similar teaching is in the Emergent Church Movement today and Post-Modernist thinking, that will eventually lead to another "holocaust" during the Tribulation Period under the Anti-Christ. This was a repeat of the 12/10/12 program.

### CHRISTIAN WORKING WOMAN

1/5/2013 15 MIN Mary Whelchel  
SAT 1:15PM What is the most important thing in all of life? Mary Whelchel of "The Christian Working Woman" says Jesus told us clearly that the most important thing is to love God with all your heart, soul, mind, and strength. Easy to say, but how do you and I do this in our everyday lives? Do we even want to do it? As we start a new year, it's a good time to make sure the main thing is the main thing in our lives.

### CHRISTIAN WORKING WOMAN

1/12/2013 15 MIN Mary Whelchel  
SAT 1:15PM How well do you love yourself? Mary Whelchel of "The Christian Working Woman" says that if the truth be known, we all love ourselves in many small and large ways. Mary talks about what it means to love others as you love yourself.

The President signed the 6.3 Billion Dollar Defense Bill, but the President said the conscience provision was ill-advised that allows Chaplains to refuse to perform same-sex marriages. Military spouses' clubs will be open to all spouses, including same-sex couples. The National Cathedral in Washington D.C. will begin performing homosexual weddings. There is a push to help LGBT Youth overcome their mental and emotional problems. A British Columbia student who showed to his fourth grade classmates a video about men dressed in "drag" was suspended. It has been determined that children need to be exposed to more homosexual couples on TV. Evangelical pastor Scott Lively is being sued and charged with a "crime against humanity" by a group in Uganda because of his teaching against homosexuality on a recent mission trip. Vice-President Joe Biden and his task force on gun control expect to have recommendations to the President for proposed gun control legislation by this coming Tuesday, January 15th. A bill was introduced by a Democratic Congressman to abolish the 22nd Amendment which limits the Presidential term to only two terms. There were no spending cuts proposed in the current avoidance of the so-called fiscal cliff, and Planned Parenthood still receives government funds. Many abortion clinics are continuously being found in violation of proper cleanliness and health procedure practices. While there will be new faces in the Department of Defense and State Department, Attorney General Eric Holder is planning on staying on through President Obama's second term. Mr. Obama signed into law Secret Service protection for himself and his family for the remainder of his life, unlike the former ten year limit. His children will also receive this protection until they reach the age of 18. There is a proposal to begin minting a "Trillion Dollar" coin. In a vote by the UN the U.S will continue to contribute 20% (about 1 Billion Dollars) of the budget for the world organization.

M-F 1:00PM Brannon started out by discussing how Evangelical pastor Louie Giglio, who was scheduled to pray at President Obama's inauguration, was cancelled because of anti-homosexual comments he made back in the 1990's. Louie Giglio was the organizer of "Passion 2013," which was the 60,000 in attendance youth conference held in Atlanta last week. Jimmy DeYoung is with "ProphecyToday.com," and he discussed the U.S. troops and Patriot missile batteries moving into Turkey. Many Syrian refugees have fled over the border into Turkey, and the Syrian military has fired scud missiles after them into Turkey, so the Turkish government has requested the anti-missile batteries. There is ongoing discussions of Jerusalem becoming the capital of the Palestinian State. A Muslim cleric once called for all Muslims to rise up and wipe the Jews into the Mediterranean Sea as the final solution. This now dead Muslim cleric is the hero of Palestinian leader Mahmoud Abbas. It is very difficult to believe there will be any peace in the Middle East established when that mindset is in the Palestinian leader's mind.

3/8/2013 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Jimmy DeYoung is with "ProphecyToday.com," and he discussed some of the stories that are happening in the Middle East such as: the Syrian civil war continues on and could boil over into other countries in the area. There have been reports that locust swarms have appeared in Israel much like those that appeared in Egypt in the Book of Exodus. Israel has said that if Iran reaches the so-called "red line" of being able to produce weapons of mass destruction that Benjamin Netanyahu mentioned in a speech before the UN, Israel will be forced to attack, whether America helps them or not.

M-F 2:00PM,

REPEAT 8:00PM

David Rubin is the author of three books including his brand new book, "Peace For Peace: Israel In The New Middle East." He is the former mayor of Shiloh, Israel, and is the Founder and President of "Shiloh Israel Children's Fund" which deals with the trauma of terror victim children, and he discussed the upcoming trip by President Obama to Israel and what that can mean to the volatile politics of the Middle East. Mr. Obama is expected to attempt to push Israel to draw back its borders to the 1967 lines, which would be indefensible for Israel and would cause them to give up the buffer zone of the Golan Heights.

### CROSSTALK

3/15/2013 55 MIN Jim Schneider

M-F 2:00PM,

REPEAT 8:00PM

Jim discussed some of the current stories in the news today such as: Congress is planning to balance the budget in a matter of decades; the Sequestration strategy is to cause Americans to give the government even more money in taxes; Some states are extending tuition assistance to illegal aliens, rather than veterans; The Obama Administration reveals that they released 2,000 illegal aliens from prisons because of Sequestration, which hadn't even taken place yet. A reduction of border patrol agents may cause backups at all border crossings; White House tours for school children will be scaled back, but the White House Easter egg hunt will go on as usual; The U.S. has stock-piled small pox vaccine for any future use; The homeless military program has been scrapped because of Sequestration; The Federal Government has awarded 1.5 million dollars to study why lesbians are fat; Obama wants to double our foreign aid to bail out Europe (Greece, Italy, and Spain); U.S. aid to Egypt and other countries who burn the U.S. flag will go on in spite of Sequestration; Trial of abortion doctor Gosnell who snipped the spinal cords of infants begins Monday; A recent rash of botched abortions is because of training young doctors to perform abortions, but 40% of all pregnancies in New York end up in abortions; In some schools students play abortion wars in which the babies are killed; In Italy the number of gynecologists opting out of performing abortions has gone up, but the government is forcing them to perform abortions; Under overseership of death panels a Mortality Index may be used to determine whether you qualify for euthanasia in the future, based on whether you can bathe yourself and other abilities; Ohio Republican Senator has come out in support of gay marriage, because his own son is a homosexual; Boy Scouts of America is asking for response from area troops on their position on the homosexual ban in the scouting organization; More than 250 amicus briefs have been filed to encourage support of DOMA and Proposition 8 in California as these cases come before the U.S. Supreme Court; Chicago Public Schools are requiring sex education be taught to kindergarteners; and a female poll worker admitted voting twice in the last election.

### WORLDVIEW WEEKEND RADIO

3/15/2013 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Jimmy DeYoung is with "PropecyToday.com," and he discussed the new Pope being a first ever Jesuit Pope and first ever Western Hemisphere Pope and what significance, if any, that may have in Bible prophecy. Jimmy also gave his usual Middle East update. The Israeli Defense Force is on high alert in the Golan Heights area because of what is going on in Syria. Israeli Prime Minister Benjamin Netanyahu has been able to put together a coalition government that will be center-right politically, but it will not have a religious aspect to it. Of course security is at an all-time high with President Obama planning his first ever visit to Israel.

### CROSSTALK

3/22/2013 55 MIN Vic Eliason

M-F 2:00PM,

REPEAT 8:00PM

Vic discussed some of the current stories in the news today such as: President Obama spoke to a group of Israeli young people where he challenged them with some Saul Alinski philosophy to do an "end run" around the Israeli leadership and make the world what they believe it should be, not just how they see it. Is he fomenting rebellion against their leaders? Obama has already said he would discuss "land for peace" with leaders in the Middle East, with the White House map leaving out the Golan Heights as part of Israel but as part of Syria and parts of southern Israel as being part of Lebanon. He only recognizes the 1967 borders of Israel. A Chinese spy has been caught in NASA with his laptops loaded with all kinds of national security sensitive information, trying to leave the country. The White House has shut down White House tours to school children, but the government can still afford to fund a 2.7 million dollar study why lesbians are overweight and drink a lot. In California a new K-12 grade reading list includes books that are gay-friendly. A college professor at Florida Atlantic University encouraged his students to write the Name Jesus on a piece of paper, throw it on the floor, and stomp on it. Congress is demanding that the Department of Homeland Security give a reason why they are hoarding over 2 billion rounds of ammunition, but the agency refused to give a reason. The young man who killed and wounded many in a Colorado theater shooting has now claimed to be a Muslim and that he performed his murderous acts as Jihad against unbelievers.

### WORLDVIEW WEEKEND RADIO

3/22/2013 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Brannon started out the program giving some updates on Evangelicals getting behind the "social justice" bandwagon. Even Franklin Graham has come out in favor of background checks for all purchases of any weapons. Even Josh McDowell is in support of the prayer conference being sponsored by the heretical "International House of Prayer" or IHOP. Jimmy DeYoung is with "ProphecyToday.com," and he talked about President Obama's visit to Israel, the breakdown of the Presidential limousine, and other mistakes along the way. Most of the visit seems to be "symbolism" and not "substance." There is still much sectarianism in Iraq between the Sunni Muslims and the Shiite Muslims and the Kurds in the north. All members of the international intelligence community, including the Israeli Mossad, confirm that Syria has amassed a large number of weapons of mass destruction, including chemical weapons. These may be the weapons our intelligence found in Iraq that were moved to Syria for hiding.

### WORLDVIEW WEEKEND RADIO

3/29/2013 55 MIN Brannon Howse and Jimmy DeYoung

M-F 1:00PM

Brannon began the program by talking about some of the directions some Evangelical leaders are taking on the same-sex marriage issue. Jimmy DeYoung is with "ProphecyToday.com," and he gave an update on the events going on in the Middle East during this Passover and Easter seasons of the year. Iran has sent in 50,000 troops into Syria to help bolster the Assad regime against the rebels, but these troops also could be used as an invasion force into Israel. Jimmy also talked about the saber rattling that North Korean leader Kim Jong Un has been making, threatening an attack on the American West Coast or other U.S. interests, because of the fly overs of South Korea by U.S. Stealth Bombers in military maneuvers. Jimmy also talked about the history of the Jewish Passover at this time of year. An Egyptian mosque became a house of torture when some Muslim radicals in Egypt chased several Coptic Christians into a mosque where they proceeded to beat and kill several of them, until people of the city rescued the remaining Coptics.

What is the most important thing in all of life? I'm Mary Wheelchel of The Christian Working Woman, and if you and Jesus told us clearly that the most important thing is to love God with all your heart, soul, mind and strength. Easy to say, but how do you and I do this in our everyday lives? Do we even want to do it? As we start a new year, it's a good time to make sure the main thing is the main thing in our lives, so join me here for The Christian Working Woman.

Promo for Script 1440: The Christian Working Woman, to be aired week ending January 12, 2013.  
**Priority Number 2: Loving Others**

How well do you love yourself? I'm Mary Wheelchel of The Christian Working Woman, and truth be known, we all love ourselves in many small and large ways. Well, if you are a Christ-follower, the second priority of your life, according to Jesus, is to love others just like you love yourself. I'm going to talk about what it means to love others as you love yourself this week here on The Christian Working Woman. Please join me.

Promo for Script 1450: The Christian Working Woman, to be aired week ending January 19, 2013.  
**Practices of Great Christians - I**

I'm Mary Wheelchel of The Christian Working Woman, and on this week's program I continue my story of Fran and Jenni on the job. Fran finds herself substituted in a huge gospel drama that causes a great deal of heart to others. And she's right there in the middle of it! So: learn just how wrong it is to repeat things that aren't factual and that don't need to be repeated anymore. It's real life, so join me here for The Christian Working Woman.

Promo for Script 1451: The Christian Working Woman, to be aired week ending January 26, 2013.  
**Fran and Jenni on the Job - Cessip II**

Did you ever play gossip when you were a kid? I'm Mary Wheelchel of The Christian Working Woman, and it was a fun game where you saw how easily something can be twisted when it is repeated. Well, the game is fun but real gossip isn't. This week Fran has to face the damage she has helped to perpetrate through gossip on her job. It's a hard lesson, but one lots of us need to learn. I hope you'll join me for this next episode of Fran and Jenni on the Job.

Promo for Script 1452: The Christian Working Woman, to be aired week ending February 2, 2013.  
**Annoying Habits of Coworkers**

I'm Mary Wheelchel of The Christian Working Woman, and this week I'm going to tackle a very common, everyday issue many face on their jobs, and that is the annoying habits of coworkers. These are the little things that just bug you, and if you're not careful, they start to create barriers and bad feelings between you and those you work with. A Christian should have a biblical response to annoying coworkers. Find out how here on The Christian Working Woman.

Promo for Script 1453: The Christian Working Woman, to be aired week ending February 9, 2013.  
**Are You Under Conviction or Condemnation?**

Are you under conviction or condemnation? I'm Mary Wheelchel of The Christian Working Woman, and you may not realize it, but there is a difference between the two. And if you don't know how to recognize the difference between conviction and condemnation, you may spend a lot of time in false guilt. This week I'm going to talk about how to distinguish conviction from condemnation. Join me here on The Christian Working Woman.

Promo for Script 1454: The Christian Working Woman, to be aired week ending February 16, 2013.  
**Life on the Narrow Road**

I'm Mary Wheelchel of The Christian Working Woman, and if you're like me, you prefer not to look weird or different from others. Who wants to be the odd person in the group? But one of the truths of the Christian life is that we are called to walk through a small gate that leads to a narrow road. What does that mean? After all the broad road looks more attractive. Join me this week as I talk about life on the narrow road—here on The Christian Working Woman.

## **Biblical Stress Reducers - I**

How's your stress level these days? I'm Mary Wheelchel of The Christian Working Woman, and if you told me you don't have any stress, I'd want to take your pulse and see if you're breathing! Stress is a part of our lives, but we can incorporate biblical principles into our lives that will greatly reduce our stress. That's what I'm talking about this week—Biblical Stress Reducers. I hope you'll join me here on The Christian Working Woman.

## **Biblical Stress Reducers - II**

I'm Mary Wheelchel of The Christian Working Woman, and stress is somewhat like the weather: Everybody talks about it but nobody does much to stop it! What are you doing to bring down your stress levels? Did you know that the Bible has some practical, easy ways to bring your stress under control and make your life so much better? I'm going to give you some biblical stress reducers this week, so join me here for The Christian Working Woman.

Promo for Script 1457: The Christian Working Woman, to be aired week ending March 9, 2013.

## **Ruthless Priorities**

Are you a ruthless person? I'm Mary Wheelchel of The Christian Working Woman, and most of us wouldn't want to be known as ruthless, but we should be ruthless about setting the priorities for our lives. If you're not ruthless about putting biblical priorities in place in your life as a Christ-follower, you may discover that you've spent your life busily doing things that don't matter. I'm talking about Ruthless Priorities this week here on The Christian Working Woman.

Promo for Script 1458: The Christian Working Woman, to be aired week ending March 16, 2013.

## **Our Failures Are Not Fatal**

I'm Mary Wheelchel of The Christian Working Woman, and I wonder if you're struggling with some failure in your life today? Are you discouraged because you feel like a total failure? It's a common struggle, but the good news is, as a Christian your failures are not fatal. God is in the business of restoring us and giving us new purpose and hope. Join me this week for this message of hope that our failures are not fatal, here on The Christian Working Woman.

Promo for Script 1459: The Christian Working Woman, to be aired week ending March 23, 2013.

Well, that's a good thing if you're following after the right people. This week I'm going to talk about Practices of Great Christians—things that others do which should inspire us to greatness in God's eyes. Join me here for The Christian Working Woman.

## **Practices of Great Christians - II**

I'm Mary Wheelchel of The Christian Working Woman, and this week I'm going to give you some examples of things that great Christians do. Why, you may ask? Because one of the ways we grow in our faith is to walk with wise people, to follow those who are following Christ. I believe you'll find it inspiration and helpful as we look at some practices of great Christians—greatness in God's eyes. Join me here for The Christian Working Woman.

## HEAVEN AND HOME HOUR

**For Mar 4, 2013**

One of the criticisms that has been leveled against Christianity is the claim that it does not call for an outright abolition of slavery and some have used certain biblical texts to condone the holding of slaves. Today on the Heaven and Home Hour Jonathan Williams begins an important 2-part series on this subject as he speaks on slavery in the ancient world. Be sure to tune in to the Heaven and Home Hour today as Jonathan Williams begins this series "Does the Bible Condone Slavery?"

**For Mar 5, 2013**

Does the Bible condone slavery? Today on the Heaven and Home Hour Jonathan Williams shows how the apostle Paul introduced three revolutionary ideas that continue to reverberate throughout the world. These ideas shape how people think and believe at their deepest level. They form a biblical worldview and when they become strong enough, they topple evils such as slavery in a proper way. 27,000,000 people are in slavery today. Tune in to the Heaven and Home Hour for this important message.

**For Mar 6, 2013**

Today on the Heaven and Home Hour, Jonathan Williams begins a crucial 6-part series called "Holy War in Heavenly Places." Christ has commissioned us to take the gospel of light into the realm of darkness and to set people free. Therefore, you and I are the primary target of forces that want to stop the Gospel and our effectiveness for him. Are you ready for this battle? Learn how to prepare yourself for spiritual warfare on today's broadcast.

**For Mar 7, 2013**

Holy War in Heavenly Places – that's the place holy war should be fought. We don't fight holy war with bombs and bullets, with swords and spears. We don't fight holy war against our fellow man. We fight holy war against the powers in the invisible realm who enslave mankind and we fight with the weapons of the Spirit of God to liberate our fellow humans. Learn how you can be part of this great battle today as Jonathan Williams speaks on Holy War in Heavenly Places.

**For Mar 8, 2013**

We are in a great conflict. If Christ was in a great conflict, should we expect anything else? If he encountered the power of the enemy face to face, should we not expect to encounter some of these forces in our walk with Christ? Paul says that we struggle with them. Tune in today to the Heaven and Home Hour with Jonathan Williams as shares how we can fight the enemy in the power of Christ.

## HEAVEN AND HOME HOUR

**For Mar 11, 2013**

Do you know what the full armor of God is? Twice Paul exhorts us to take up God's full armor if we are to win in spiritual warfare, he identifies six weapons a Roman soldier used to be successful in battle, and then applies them to our spiritual war. Today on the Heaven and Home Hour, Jonathan Williams will examine the first weapon – the belt of truth – and how its proper use helps us against evil in our day.

**For Mar 12, 2013**

As a veteran soldier of numerous conflicts in the spiritual world, Paul is well acquainted with the weapons God provides to fight this battle successfully. Today on the Heaven and Home Hour Jonathan Williams takes a look at the breastplate of righteousness, the boots of peace, the shield of faith, and the helmet of salvation, all necessary to be victorious as we fight holy war in heavenly places.

**For Mar 13, 2013**

With the sword of the Spirit, Paul finishes listing the weapons every Christian must use in spiritual warfare. But what empowers these weapons and makes them effective? Join Jonathan Williams on the Heaven and Home Hour for the exciting conclusion to his series "Holy War in Heavenly Places" as he explains what empowered Paul and can empower us to win this holy war in heavenly places.

**For Mar 14, 2013**

The apostle Paul was in prison when he wrote his majestic letter which we know as the book of Ephesians. His final words in this great letter reveal the outstanding qualities in his life, the men he worked with and the qualities you and I should strive for in order to walk worthy of the Lord. Join Jonathan Williams today on the Heaven and Home Hour as he shares these final words to faithful people.

**For Mar 15, 2013**

What would you say if a friend said to you, "Look, your understanding of Jesus is wrong. I have new information about the true Jesus and the true way to God." What would you say? Today on the Heaven and Home Hour Jonathan Williams begins a new 5-part series, "Rescuing Churches in Danger." It was an issue first century apostles dealt with and an issue we must deal with today.

## HEAVEN AND HOME HOUR

**For Mar 18, 2013**

In the first century the apostle John was dealing with dangerous heresies that had infiltrated the churches he was pastoring. How did he defend the truth? Today on the H&HH Jonathan Williams will show how to rescue churches in danger by showing the three ways John dealt with the heresies of his day which gives us a model to use to fight the many heresies that are popping up in the church today.

**For Mar 19, 2013**

In the first century, many people were telling many stories about Jesus but not all of them were true. The same thing is true in our day as we have a Muslim Jesus, a Hindu Jesus, a Mormon Jesus and many other versions. How can we know with confidence which one is the true Jesus? Join Jonathan Williams as he begins a 3-part series, Eyewitness Stories, on the Heaven and Home Hour.

**For Mar 20, 2013**

What is faith? There's a lot of ideas about it. Some people have called it "a leap in the dark." Some people say, "it doesn't matter what you believe -- just believe." But is this right? Is this genuine faith? Today on the Heaven and Home Hour as Jonathan continues his series Eyewitness Stories, he will answer these questions and point the way to genuine faith in Jesus.

**For Mar 21, 2013**

The difference between false Gospels and the true Gospel, between a false Jesus and the true Jesus is eternally significant. John said his account was the true one. He was an eyewitness the others weren't. What did John see? What difference did it make in his life and what difference will it make for us? Jonathan Williams will answer these questions today as he concludes his series, "Eyewitness Stories".

**For Mar 22, 2013**

*God, where are you? God why did you do this to me? God, why did you let this happen? God, why have things turned out this way? Have you ever heard someone ask these questions? Have you asked them? Today on the Heaven and Home Jonathan Williams begins a new 3-part series on the Heaven and Home Hour -- "Our Deepest Questions, God's Deepest Answer."*

## HEAVEN AND HOME HOUR

**For Mar 25, 2013**

All of us at one time have had very deep questions and doubted if God was really being good to us. How can we know that God will always do what is right and best for each of our lives?
