

## **KPMX Issues Programs Jan-Mar 2019**

### **Quarterly Issues Program List for Station – KPMX**

**Assessment of Issues for this quarter:** Issues important to our community are gleaned from Service Organizations, Local Non-Profit organizations, law enforcement, business owners, city/county/state employees, politicians, other media, Facebook and Twitter postings, conversations with community members at community concerts, special events and other functions.

#### **Section I. Issues.**

**A. Public Health:** Issues relating to preventive health awareness, general health discussion, and health events in our area.

**B. Education:** Issues relating to Public School education and community college in our community. Including how the public library and the museum provide outreach to supplement the educational opportunities in the schools.

**C. Government:** The discussion of policies related to our government both statewide and local issues. Including the beginning of the legislative session and the S-curve project in Sterling..

**D. Quality of Life:** Issues relating to the overall health and living conditions of our community. Primarily answering the question “what is there to do in Logan County?”
