**2. During the 3<sup>rd</sup>. quarter 2017 the following compliancy issues were covered.**

**Date 07/03/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – How important is punctuality?**

**ISSUE TREATMENT SYNOPSIS:**

WHY IT MATTERS some have found that arriving at appointments a bit ahead of time actually reduces stress. Punctuality also enhances a person's reputation. How so?

**ISSUES COVERED:** Family, Education, Personal growth

**Date 07/17/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – Punctuality indicates competence.**

**ISSUE TREATMENT SYNOPSIS:**

When you are on time, it shows that you try to be in control of your life instead of allowing circumstances to prevent you from doing the things you want to do.

**ISSUES COVERED:** Family, Education, Personal growth

**Date 07/17/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – Punctuality suggests dependability.**

**ISSUE TREATMENT SYNOPSIS:**

In a society where promises are often broken and commitments frequently ignored, people appreciate those who stick to their word. Dependable people earn respect from friends and family. Employers value those who arrive on time for work and meet deadlines. Dependable workers may even be rewarded with a higher salary and greater trust.

**QUARTER 3<sup>rd</sup>. 2017 JULY- SEPTEMBER**

**ISSUES COVERED:** Family, Education, Personal growth, work.

**Date 08/07/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – Is the Bible just a good book?**

**ISSUE TREATMENT SYNOPSIS:**

Despite its many enemies, the Bible became—and continues to be—the most widely distributed book of all time. In whole or in part, an estimated five billion copies have been printed in more than 2,800 languages. This is in sharp contrast with books on philosophy, science, and related fields, which may have a limited circulation and may quickly go out-of-date.

**ISSUES COVERED:** Education, Religion.

**Date 08/21/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – How important is the money?**

**ISSUE TREATMENT SYNOPSIS:** Money makes the world go round. There is some truth to that statement. After all, it takes money to buy food, obtain clothing, and pay for rent or buy a home. “The role of money in society is incredibly important. If money was removed as a means of exchange, we would be in a state of panic and war within a month. Of course, money has its limitations.

**ISSUES COVERED:** Education, Business, and Money.

**Date 09/04/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – How important is the money? Part 2.**

**ISSUE TREATMENT SYNOPSIS:** Researchers cite money problems as a common factor in marital strife resulting in divorce. Money problems have also been a factor in suicide. For some people, money is more important than their marriage vows or even their life! In contrast, those who have a balanced view do not put their trust in money.

**ISSUES COVERED:** Education, Business, and Money, Marital.

**Date 09/18/2017**      Duration: 30 minutes

**ISSUE IDENTIFIED – How important is the money? Part 3**

**ISSUE TREATMENT SYNOPSIS:** How can the poor be happy?  
Many people believe that happiness and fulfillment are achieved through material prosperity and that real success depends largely on how much money a person has. With little or no access to basic education, quality health care, and other benefits, those trapped in poverty are not expected to have a happy and satisfying life.

**ISSUES COVERED:** Education, Business, and Money, Marital.
