DESCRIPTION OF ISSUE	PROGRAM SEGMENT	DATE	TIME	DURATION	NARRATION OF TYPE/DESCRIPTION OF PROGRAM SEGMENT
<b>HEALTH INFLUENZA</b>					
	DESPIERTA AMERICA	1/7/2020	7:00 AM	1:23	At least 2,900 people have died because of the flu since last October. CDC suggests medical attention to the most vulnerable: elderly and kids and everyone else to receive vaccinations.
	PRIMER IMPACTO	1/7/2020	4:00 PM	3:00	The influenza season has been cataloged by health authorities as the worst in decades have been reported more than 6 million cases in the united states, collecting hundreds of lives, including children, doctor Juan Rivera accompanies us, to tell us how we can prevent that mortal virus. welcome! 1) health authorities recommend vaccination. but, how do vaccines protect us, if the virus is changed every year? 2) are vaccines recommended for pregnant or people with weak immune systems? 3) there are people who reject the vaccines. how can they protect themselves?
	DESPIERTA AMERICA	1/14/2020	7:00AM	2:30	Almost 10,000,000 sick and nearly 5,000 deaths in just three months, confirm the current flu season as the worst in the country's recent history. Among the dead are more than 30 children, twice as many as last year at this time. Here you saw first the case of a four year old girl who lost her sight because of the flu. We received doctor juan to explain why this season children are the most vulnerable, and everything there is to know, and do, to protect them.
	DESPIERTA AMERICA	1/17/2020	7:00AM	:24	Your smart watch not only allows you to count the steps you take every day, it could also help you detect flu symptoms. Incredible as it may seem, researchers have looked at the changes in heart rate and sleep that occur when a person is sick. Researchers assure that this is a discovery that would help prevent flu propagation.
	NOTICIERO UNIVISION	2/16/2020	5:30 PM	1:41	In addition to the coronavirus, the country is facing a second wave of influenza that is mainly affecting minors. according to health authorities, the number of children who have died or been hospitalized is the highest in the last decade.
<b>HEALTH-CORONAVIRUS</b>					
	NOTICIERO UNIVISION	1/21/2020	5:30 PM	1:42	The first case of the dangerous "corona-virus" in the united states, which public health authorities detected in Seattle, Washington.
	DESPIERTA AMERICA	1/22/2020	7:00 AM	1:40	Global Health Emergency due to the "Coronavirus", that is what would determine today the WHO in an urgent meeting. This time the number of deaths increases to nine and infected people in China duplicate, more than 400 people are already accounted for. In the state of washington, confirm the first recorded case in the country. That's why major airports are taking immediate action.
	NOTICIERO UNIVISION	1/24/2020	10:35 PM	2:22	The world health organization has not declared a "global emergency" due to the outbreak of "coronavirus", this threat continues to spread, and today by France already reached Europe. here in the united states, health authorities officially reported a second case, and another 50 patients are under observation.

DESCRIPTION OF ISSUE	PROGRAM SEGMENT	DATE	TIME	DURATION	NARRATION OF TYPE/DESCRIPTION OF PROGRAM SEGMENT
	NOTICIERO UNIVISION	1/25/2020	10:35 PM	2:11	Deaths related to coronavirus increase, so far, 56 deaths have been reported, and almost 2,000 cases of illness in china; the number rising as the hours go by. The virus has spread to other continents and here in the united states potential cases of contagion are being assessed.
	NOTICIERO UNIVISION	1/26/2020	10:35 PM	1:52	The threat of the coronavirus is growing in china. 80 deaths are reported and over 2,700 confirmed cases. the minister of health of that country indicated that the new disease is spreading rapidly. Here in the united states, already 5 cases have been confirmed.
	NOTICIERO UNIVISION	3/9/2020	5:30 PM	2:05	This threatening advance of the coronavirus is creating a collective panic among millions of people who fear that they will become its next victim. The wide coverage of the epidemic, the explanations of experts at all hours of the day and confusing versions of precautions only increase the anxiety of the population.
	NOTICIERO UNIVISION EDICION NOCTURNA	3/11/2020	10:35 PM	1:59	Worst still to come in us coronavirus outbreak: expert concerns mount about us ability to contain the virus as the who declares it a pandemic. The coronavirus situation in the united states is "going to get worse", Dr. Anthony Fauci, director of the national institute of allergy and infectious diseases, told politicians in Washington dc on Wednesday, saying the virus is killing people at a higher rate than that of the flu.
<b>CORONAVIRUS- HEALTH EMERGENCY</b>					
	NOTICIERO UNIVISION	1/22/2020	10:35 PM	2:00	Worldwide fears of the spread of the coronavirus to several countries are growing following the outbreak in china. Five U.S. airports are intensifying medical checks for travelers and investigating whether i have arrived in Mexico.
	NOTICIERO UNIVISION	1/24/2020	5:30 PM	2:02	A second case of "coronavirus" in the united states. This is a woman from Chicago who recently returned from china without showing any symptoms of the disease.
	NOTICIERO UNIVISION	1/25/2020	5:30 PM	2:10	U.S. health authorities are monitoring several cases of possible transmission of the "coronavirus", the disease that originated in china and has spread to other countries around the world.
	DESPIERTA AMERICA	2/26/2020	7:00 AM	1:37	Public health officials warn senators of 'inevitable' spread of coronavirus in US. The warning by officials from the Centers for Disease Control and Prevention, the National Institutes of Health and other agencies markedly changed the tone about risks from the virus, a day after stock markets tanked around the world over concerns about the virus and with cases multiplying globally.
	NOTICIERO UNIVISION	1/31/2020	5:30 PM	2:04	The united states today declared a public health emergency for the coronavirus and will deny entry to foreigners who pose a risk of contagion. Health authorities say the risk of contagion remains low in this country.
	DESPIERTA AMERICA	1/31/2020	7:00 AM	2:00	Not travel to China!... That's the warning the State Department issued this morning to all american citizens about the threat of the Coronavirus. This after the first confirmed case of the virus transmitted from person to person in the country. The health alert increases to international level after the world health organization declared global emergency.
	NOTICIERO UNIVISION	1/31/2020	10:35 PM	1:57	The number of deaths from the coronavirus epidemic in china rose to 258, while those infected rose to 11,000. In response to the declaration of an "international emergency" by the world health organization, the U.S. government has implemented a "public health emergency.
	NOTICIERO UNIVISION	2/1/2020	5:30 PM	2:01	There are already 8 people infected by the coronavirus in the states and this confirmation comes just hours before the "temporary restraining order" for the entry of foreigners, who have been in china in the last 14 days, comes into effect.

DESCRIPTION OF ISSUE	PROGRAM SEGMENT	DATE	TIME	DURATION	NARRATION OF TYPE/DESCRIPTION OF PROGRAM SEGMENT
	DESPIERTA AMERICA	3/2/2020	7:00 AM	1:50	The coronavirus is spreading rapidly in the United States, and so is the population's concern about preventing contagion. In the last few hours, two deaths have been reported in Washington State, about 89 cases nationwide, including at least two possible infections in Florida, where a health emergency has already been declared. Health alarms lead to hundreds of flights being cancelled, nervous shopping and school closures.
	NOTICIERO UNIVISION	3/2/2020	5:30 PM	2:50	The number went up to six, all in the state of Washington, where there are 18 confirmed cases there are at least 100 infected in the country Oregon is now the third state on the west coast with patients infected besides Washington and California.
