

January through March of 2022 - WPOB 88.5 FM Plainview

During this period, the radio station provided the opportunity for students from POB JFK's radio classes and our radio club to gain experience live on the air:

- serving as DJs for music programming
- acting as on-air talent offering commentary on music, culture, and sports
- producing, anchoring, and airing regular news broadcasts covering the below noted content:
 - Regular COVID-19 coverage (school district, community, state, and national) including current positive test rate, changing policies on prevention, etc.
 - School sports, activity, and event updates (ex. POB JFK Battle of the Classes, introduction of the school's eSports team, etc.)
 - Updates on changing situation between Russia and Ukraine
 - Variety of PSAs (safe driving, February break safety and wellness, COVID-19 precautions, fall prevention, disaster preparedness, stress relief, etc.)
 - Regular weather updates
 - Science and technology news and updates (for example, potential impact of Russia-Ukraine situation on the future of space exploration and research)
 - The Ambassador Bridge protest
 - Coverage of Facebook's "Metaverse"
 - Movie, music, and video game reviews (*The Batman*, Fortnite updates, etc.)
 - National sports updates (MLB lockout, Tom Brady's retirement, etc.)
