Quarterly Issues/Programs List

---

KIIS-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Animal Care:** Mercy for Animals works to create a society where all animals are treated with compassion and respect. They serve as a voice for animals through proactive consumer education initiatives, cruelty investigations, corporate outreach and legal advocacy. Since founding MFA over a decade ago, the organization has grown into a leading national force in the prevention of cruelty to fabled animals and promotion of compassionate food choices and policies.

- **Arts for the Public:** Since 2011, 11:11 ACC has produced the Canoga Park Art Walk which brings over 200 artists, artisans, musicians and performers into the streets of Downtown Canoga Park. The artwalk season begins May 2015 and is held on the Third Thursday of each month, June through September. A Creative Collective focuses on encouraging collaboration between artists and their community including public art festivals, creative based workshops, youth oriented programming, mentorship and collaboration with public and private organizations and government and service based community organizations. Their next event is on March 7, it's a woodblock printmaking lecture and workshop.
- **Education:** Safe Schools America (SSA) is the nation's leading total solutions company specializing in inter-governmental relations, public affairs, community-education outreach as well as the design and implementation of comprehensive multi-faceted programs to protect students, teachers and staffs in public and private education facilities from pre-k to colleges and universities throughout the United States.
- **Education & Literacy:** CyberPatriot is the National Youth Cyber Education Program. There are three main programs within CyberPatriot: the National Youth Cyber Defense Competition, AFA CyberCamps and the Elementary School Cyber Education Initiative. CyberPatriot was conceived by the Air Force Association (AFA) to inspire high school students toward careers in cybersecurity or other science, technology, engineering, and mathematics (STEM) disciplines critical to our nation's future. For more information, visit [www.uscyberpatriot.org](http://www.uscyberpatriot.org).
- **Empowerment :** The month of March is Women's History Month. Research underscores that women leaders who achieve high levels of success bring

core strengths to bear in their leadership. But formidable barriers stand in the way of many women who desire to lead, not the least of which are personal courage, confidence and capacity. Women Up's Rising - Women Leaders program aims to reduce these barriers by providing promising women leaders training in transformation leadership. For more information, visit [www.womenup.org](http://www.womenup.org)

- **Event Fundraiser:** L.A. Car Connection is a new and used car buying and leasing company. People can buy or lease any make or model and save the hassle of going to a retail dealership. L.A. Car Connection is having their 4th annual JDRF track date invitational. It's an invitation only event where they invite their clients to Willow Springs International Raceway where they can bring their own cars and have a customer appreciation day and at the same time raise funds for Juvenile Diabetes Research on March 26th.
- **Event Fundraiser:** This is IHop's 10th annual free pancakes fundraiser on National Pancake Day- March 3rd. Participating IHOP Restaurants plan to give away free pancakes from 7am to 10pm to celebrate this "Decade of Giving." Leading up to Pancake Day, IHOP has been selling "Miracle Balloons" for \$1 and \$5 to benefit Children's Miracle Network Hospitals. Their goal this year is to raise \$3.5 million for charity.
- **Family & Social Impact:** The Autism Movement therapy is Autism therapy through dance. The organization is focused on serving the autism community by supporting autism research. This is an interhemispheric sensory integration technique incorporating movement and music in collaboration with positive behavior support strategies to assist individuals with autism spectrum disorders in meeting and achieving their speech and language, social and academic IEP goals.
- **Family Impact:** The Women Shelter of Long Beach a domestic violence agency in Long Beach that provides services to victims of domestic violence of any age. They service anyone who needs help, including people of the LGBT community. Teen Dating Violence Awareness Month is February and they're having their event on Friday, February 27th from 6-9:30pm at the Art Exchange in Long Beach. [WomenShelterLB.org](http://WomenShelterLB.org)
- **Global:** Wells Bring Hope drills wells to bring safe water and sanitation to rural villages in West Africa. Only US based safe water system that educates women in microfinance. Can't read, write, count. They are now able to spend time to learn instead of walking to find water.
- **Health & Wellness:** The Pediatrics Cancer Research Foundation's mission is to raise funds to improve the care and quality of life and survival rate of children with malignant diseases. One of their largest fundraisers of the year is their half marathon called "Reaching for the Cure". The event will be on March 28th and 29th in Irvine.
- **Health & Wellness & Fundraiser:** This Tour de Pier is organized to raise funds for the cancer community. The Hirshberg Foundation for Pancreatic Cancer Research, The Uncle Kory Foundation and Cancer Support Community. The 3rd Annual Tour de Pier is a unique fundraising event that brings one of the hottest indoor fitness activities " stationary cycling " to the gorgeous outdoors of Manhattan Beach 5/17/15. Ride in

place with an ocean view!

- **Health / Fundraiser** : The Lazarex Cancer Foundation builds a bridge to hope, dignity, and life for cancer patients and their families. They provide assistance with costs for FDA clinical trial participation, identification of clinical trial options, community outreach and education. One man on a mission: Cycle 75 miles a day through 18 states for 3 1/2 months to raise funds and awareness in support of pancreatic cancer patients.
- **Health and Wellness**: The Jessie Reese Foundation was started by Eric's daughter Jessie when she was fighting cancer. She had a burden for kids fighting cancer who couldn't leave the hospital. She was an outpatient but wanted to help the kids who couldn't go home. After Jessie passed away, Eric and his wife continue to deliver "joy jars" to kids in hospitals and put smiles on their faces. For more information, visit [www.negu.org](http://www.negu.org) and they can also donate.
- **Military**: Jersey Mike's Subs is working with Operation Gratitude, which is an organization that provides care packages to our service men and women all over the world. Customers can go into any Jersey Mike's store during the month of March to support Operation Gratitude. Operation Gratitude, visit [www.operationgratitude.com](http://www.operationgratitude.com)
- **Music & Arts**: Education Through Music is a non-profit organization that puts music back into disadvantaged schools as a part of the core curriculum for every child. They started in 2006 by serving two schools and 800 kids. This year is their ninth year where they are serving 16 schools and over 7,000 children. Their mission is to insure that children can learn music as a part of their overall education. They work in schools all over the Los Angeles County. [ETMLA.org](http://ETMLA.org)
- **Youth Advocacy**: Sticks N Stonz was created to empower kids in their ability to do what they love and not let bullying of any kind get in their way. It was created after Amanda saw her 9-year-old cry because a little league umpire said he lacks style on the baseball field, and then her son was continuously bullied on the baseball field.

When it comes to job opportunities, we must replace the word hope and ask for a Seat at the Table. Many of our youth now face the issue of employment as they age out of the public school setting and transition into adulthood. We are at a crossroads in this country. We know that the rate of employment for adults with autism is devastatingly low, and our May 20th musical and celebrity event intends to shout the message that our youth are employable individuals who bring value, know-how and dignity to the workplace. We invite you to hear Dr. Temple Grandin & Dani Bowman speak to the issue at hand. Autism Works Now! We look forward to seeing you Wednesday May 20th at Club Nokia @ LA Live in downtown Los Angeles!
