Heroes Shaped By 9-11	Closer Look	11/28/2021	7pm	13:59	<p>CLOSER LOOK: Heroes Shaped By 9-11, Lessons From The Attacks On America For those who witnessed the aftermath up close, the effects of 9-11 were infinitely more personal than intrusive changes to airport security. The attacks redirected their personal health and professional ministries. Kevin Ellers, D. Min was in Kansas City when he was called to the Trade Towers collapse in New York City with The Salvation Army. Ellers has since designed curriculum with titles like Spiritual First Aid used to train first responders internationally. Rev. Dr. Tim Carentz was a young Air Force medic in D.C. when he got the call to the Pentagon on 9-11. He was eventually diagnosed with post-traumatic stress disorder (PTSD). Leaning on faith in Jesus and the support of his military community, Carentz retired from the USAF as a Chief Master Sergeant and now operates Kaiserslautern Military Resiliency Center.</p>

GenZ Christians	Closer Look	12/19/2021	7pm	15:22	<p>CLOSER LOOK: GenZ Christians Surveyed On God, The Bible And Society GenZ Christians have questions about practical faith. They want Scripture-based solutions for the issues they face alongside their friends. "I can no longer avoid truths about racial injustice, about environmental destruction and I do not know if the Church cares about this." For them it's pastoral – not political. Monika Kelly reports.</p>
