

EEO Employment Report 9/25/23

For the reporting period 10/1/22 through 9/30/23, The Cohan Radio Group, the Employment Unit consisting of ...

WWOJ (FM) - Avon Park, Florida

WWLL (FM) – Sebring, Florida

WWTK (AM) – Lake Placid, Florida

WITS (AM) – Sebring, Florida

WJCM (AM) – Sebring, Florida

... had no fulltime positions open or filled during the reporting period. The Company continues to welcome applications for potential expansion in the sales department and maintains a posting for a commissioned position at

Heartland Workforce
5901 US Hwy 27S, Suite 1
Sebring FL 33870

The Company employs nine (9) full-time employees.

The employment unit participates in the “job bank” program of the Highlands County Branch of the Agency for Workforce Innovation through weekly broadcasts by the agency’s Employment Specialist, Donna Doubleday and/or her assigns. The Workforce Innovation of the Highlands County agency airs every Tuesday from 8:00am to 8:30am on Station WWTK (AM).

The Company also maintains a continuing education program for its sales staff including web-based and live training seminars from Radio Advantage Systems, the RAB and other sources; our Business Manager has attended seminars on her accounting system to maximize performance, Traffic has taken multiple “webinars” on the upgraded traffic-accounting system, and regular training meetings are scheduled with our air staff to advance their abilities in their jobs.

Michael Ewing
