

K224FR
License Renewal Instructions:
Post-Filing Announcement Instructions and Text

FM translator stations are required to post an online public notice announcing the filing of the station's renewal filing. Please post this announcement on Friday, October 1. It should be removed 30 days later.

Post-Filing Announcement Instructions

On October 1, K224FR must post a public notice online. The notice must be published on KKEA(AM)'s website, under a link labeled "FCC Applications." The notice below should be posted on the page that is reached by this link.

The notice must be published for 30 consecutive days, and the webpage containing the notice must include a timestamp indicating when the page was last updated (as shown in the text below). When the notice is removed after 30 days, please update the "Last updated" date to the date the notice was removed. If no other applications requiring online notice are pending, the webpage should be updated to include the following text: *"There are currently no applications pending for which online public notice is required."*

KKEA(AM)
License Renewal Instructions:
Post-filing Instructions and Text

Once a full-power radio station's renewal application is filed, the station must begin broadcasting post-filing announcements. Your station must begin airing such announcements on October 1. Instructions and the text of the announcement are provided below.

Post-Filing Announcement Instructions

Public notice of a station's license renewal application filing must be broadcast a total of six times over the four-week period beginning on October 1. These announcements do not need to air on set days or at a specific time, **provided that**:

- No more than two announcements may be aired per week to count towards the total six required. This means that the station should schedule at least one announcement per week, and two announcements in two of the weeks.
- All announcements must air between 7:00 a.m. and 11:00 p.m. local time.

Text of the Post-Filing Announcement

On October 1, 2021, Blow Up, LLC, licensee of KKEA(AM), 1420 kHz, Honolulu, HI, filed an application with the Federal Communications Commission for renewal of its broadcast license. Members of the public wishing to view this application or obtain information about how to file comments and petitions on the application can visit publicfiles.fcc.gov and search in KKEA(AM)'s public file.

Certification

KKEA(AM) must record the date and times of post-filing announcements on a certification form. Attached is a certification form to use for recording this information.

Once all the notices are completed, you must upload this certification to the station's online public file. The certification should be placed in the folder named "Local Public Notice Announcements" within **seven** days of broadcasting the final post-filing announcement.

Please let me know if you have any questions regarding post-filing announcements.
