WXYC Public Service Announcements for Issues & Programs file

month: January 2013

WXYC airs Public Service Announcements 24 hours a day, at a rate of 3 announcements per hour. Each PSA is written by the WXYC staff and the majority of the subject matter is selected by the staff based on an active ascertainment of services and events of particular interest to the station's listenership, with an emphasis on announcements of a local nature, especially those announcements about services and events which would likely not receive airtime on commercial media due to their non-profit and non-revenue nature.

The PSAs are read live by on-air personnel from a continuously rotating group of announcements which numbers between 20-45 at any given time. The announcements listed below are only a fraction of those read on-air in the last month; these represent the announcements which most demonstrate WXYC's continual effort to be aware of issues that affect and/or interest our local listeners. The full text of each PSA listed (as well as that of all other archived PSAs) is available online at http://tiny.cc/wxycpsa. Certain PSAs on this monthly list may also have been (or may be) aired during other months as well.
