Re: Election of Retransmission Consent Status

Dear Sir or Madam:

Entertainment Communications Corporation, parent company of television holding, LLC ("licensee"), the licensee of television station KSNBS-TV, Monterey, CA (the "Station"), located in the MONTEREY SALINAS DMA, hereby gives notice to CENTRAL CALIFORNIA COMMUNICATIONS GROUP that, pursuant to Section 325(b)(1)(B) of the Communications Act and Section 73.071(c) of the FCC's Rules, Entertaincom elects, on behalf of Licensee, to assert its right, under Section 325(b)(1)(A) of the 1992 Act and Section 73.071(c) of the FCC's rules, to have the broadcast signal of the Station carried on your cable system(s) to our defined market only if we have provided our express written consent. Accordingly, you and other cable system(s) may not retransmit the broadcast signal of the Station to any portion(s) thereof without obtaining Licensee's express written consent. This election of retransmission consent is for the period January 1, 2011 through December 31, 2014.

We have made arrangements with television Communications Inc. for its access to us in retransmission negotiations on behalf of the Station, which is an affiliate of the University of California network. Any Station correspondence regarding retransmission consent matters should be addressed to Gretchen Barone at 7999 Sunset Drive, Los Angeles, CA 90045, phone number (310) 543-4867. Our representatives at Provision will contact your corporate office to discuss the terms of retransmission consent for the Station. There is a potential period of non-voting that your corporation will be required with handling retransmission consent if you are a for-profit television system. Please notify us and representative named above and we will be happy to assist that person in continuing accordingly.

Please understand you may receive notice from the Station concerning an election of retransmission consent for the system(s). This possible application of laws currently affects our ability to ensure that the notices reach the appropriate party of your system(s).

If you have any questions concerning this notice please do not hesitate to contact me at (831) 641-4420. Our partnership with the cable system(s) is very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

Very truly yours,

ENTRAVISION COMMUNICATIONS CORPORATION (parent company of Univision Holdings, LLC ("Licensor"), the licensee of television station KSMI-TV, Monterey, CA (the "Station"), licensed to the MONTEREY-SALINAS DMA, hereby gives notice to FALCON CABLE SYSTEMS COMPANY, LLC that pursuant to Section 225(b)(3)(B) of the Communications Act and Section 36.601(c) of the FCC's rules, Entravision, alone, on behalf of Licensor, reserves the right, under Section 323(b)(1)(A) of the 1992 Act and Section 36.601(c) of the FCC's rules, to have the broadcast signal of the Station carried on your cable system(s) in our defined market only if we have provided our express written consent. Accordingly, your cable system(s) or other video distribution system(s) may not retransmit the broadcast signal of the Station, or any portion(s) thereof, without obtaining Entravision's express written consent. This election of retransmission consent is in the period January 1, 2012 through December 31, 2014.

We have made arrangements with Univision Communications, Inc. for a U.S. representative, retransmission obligations on behalf of the Station, which is an affiliate of the Univision cable network. Any Station correspondence regarding retransmission consent matters should be addressed to the Attention: Barrios at 5999 Century Blvd., Los Angeles, CA 90045, phone number (310) 348-4800. Our representatives at Univision will contact your part-time office to discuss the terms of retransmission consent for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent discussions on this cable television system, please advise our representative named above and we will be happy to contact that person accordingly.

Please note that you may receive more than one communication from the Station concerning an election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that we have reached the appropriate party in your system(s).

If you have any questions concerning this letter, please do not hesitate to contact us at (816) 612-4400. Our partnerships with the cable systems are very important to us. We look forward to ongoing and mutually beneficial relationships with your company.

Very truly yours,

Following Commission's Commission, joint company of Transmission Holdings LLC (Licensee) the license of television station KSMO-TV, Monterey, CA (the "Station"), located in the MONTEREY SALINAS TMA, hereby gives notice to FALCON CABLE SYSTEMS COMPANY, LLP that pursuant to Section 725(b)(3)(D) of the Communications Act and Section 76.641(d)(2) of the FCC's Rules, transmission election which will occur to occur its right under Section 725(b)(3)(A) of the 1992 Act and Section 76.641(a) of the FCC's rules to have the broadcast signal of the Station carried on your cable system in your defined market only if we have provided an express written consent. Additionally, your cable system(s) (or other video distribution system(s)) may not retransmit the broadcast signal of the Station, of any portion(s) thereof, without obtaining Licensee's express written consent. This election of retransmission consent is for the period January 1, 2012 through December 31, 2014.

We have made arrangements with Division, Communications for the express written retransmission negotiations on behalf of the Station, which is an affiliate of the Division of Telecommunications. My Station correspondence regarding retransmission consent matters should be addressed to Gretchen Thompson, 2999 West Hollywood Blvd, Los Angeles, CA 90068, phone number (310) 318-1887. Our representatives at Division will contact your corporate office to discuss the terms of retransmission consent for the Station. If there is a particular person or team other than your corporate office, charged with handling retransmission consent throughout for the cable television system, please advise our representative named above and we will be happy to contact that person in a confidential manner.

Please note that you may receive your own re-transmission from the Station concerning retransmission consent for the system(s). This possible duplication of letters would be without our efforts to ensure that this notice reaches the appropriate party in your system(s).

If you have any questions concerning this section please do not hesitate to contact me at (818) 444-4720. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

This consent is retransmission consent for the period January 1, 2012 through December 31, 2014.

We have had arrangements with Universal Communications Inc. to represent us in retransmission negotiations on behalf of the Station, which is an affiliate of the Corporation or its immediate parent. Any Station correspondence regarding retransmission consent matters should be addressed to Gregory Hunter, 1000 Century Drive, Los Angeles, CA 90024, phone number 310.343.4607. Our representative at Universal will contact your corporate office to discuss the terms of retransmission consent for the Station. If there is a particular person or team, other than your corporate office, that would wish to handle retransmission consent discussions for the Station system, please advise our representative named above and we will be happy to ensure that person is contacted accordingly.

Please note that you may receive more than one communication from the Station concerning our license of retransmission consent for the system(s). The possible duplication of letters simply reflects our sincere desire that this notice reaches the appropriate party of your system(s).

If you have any questions concerning this notice please do not hesitate to contact me at (818) 642-4422. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

Very truly yours,

Re: Objection to Retransmission Consent Notices

Dear Sir/Ms/Madam:

Enclosed is a copy of a letterhead memorandum ("LHM") from the Commission, dated September 27, 2011, regarding the objection of telecommunication service providers ("Service Providers") to the Station's location in the MONTGOMERY-SALINAS DMA. Service Providers have made a request to the Commission for a declaratory ruling regarding the Commission's authority to require Service Providers to accept the LHM under Section 125.1(d)(1)(A) of the FCC's rules and Section 76.604 of the FCC's rules, to have the fraudulent signal of the Station transmitted through the system(s) to be defined herein only if we have provided our express written consent. Accordingly, you will be required to transmit the broadcast signal of the Station, or any portion(s) thereof, without objection, through the system(s) defined herein only if we have provided our express written consent. This objection to retransmission consent is for the period January 1, 2012 through December 31, 2011.

We have made arrangements with Division Communications Inc. for it to represent us in retransmission negotiations on behalf of the Station, which is an affiliate of the Division's local area network. Any Station correspondence regarding retransmission consent notices should be addressed to Gretchen Barnes at 5555 Center Drive, Los Angeles, CA 90008, phone number (310) 443-4863. Our representatives at Division will contact your corporate offices to discuss the terms of retransmission consent to the Station. If there is a particular person or firm, other than your corporate offices, charged with handling retransmission consent negotiations for this cable television system, please advise our representatives immediately and we will be happy to make that person be contacted accordingly.

Please note that you may receive more than one communication from the Station concerning the objection to retransmission consent for the system(s). This possible application of letters simply reflects our efforts to ensure that this notice reaches the appropriate party in your system(s).

If you have any questions concerning this objection, please do not hesitate to contact us at (833) 642-2421. Our partnership with the cable system is mutually important to us. We look forward to ongoing and mutually beneficial relationships with your company.
