Program 23-28
Air Week: 7/9/2023
Executive Producer: Amirah Zaveri
Production Manager: Jason Dickey

SEGMENT 1: NO TRAVEL PLANS THIS SUMMER? HOW TO MAKE THE MOST OUT OF WHERE YOU ARE ALREADY

Time: 1:47

Duration: 9:35

Synopsis: High demand for travel this summer is leading to exorbitantly high prices for flights, hotels and rental cars. If traveling out of state this summer is out of the question (or you just want to spend more time at home), we offer up some ways to rediscover your own town, city, or region and gain a new perspective.

Host: Gary Price

Producer: Amirah Zaveri

Guests: Jessica Mlinaric, Chicago resident, writer, author, *Secret Chicago: A Guide to the Weird, Wonderful, and Obscure*

Compliance issues: Arts, Cuisine, Culture, Exploration, History, Music, Personal Finance, Tourism, Travel

SEGMENT 2: WOULD YOU EVER SPEND \$63,000 ON A POUND OF RARE MUSHROOMS? SOME CHEFS SAY YES

Time: 13:24

Duration: 7:36

Synopsis: Purveying for the top chefs across America is an ever-changing series of requests dependent on food trends and tastes. While some chefs are seeking out rare microgreens, others are looking for the finest cuts of beef. And these small quantities of in-demand ingredients come at a hefty price. We highlight the many niche aspects of fine dining and how we can all take away some learning points to infuse into our own cooking at home.

Host: Marty Peterson

Producer: Amirah Zaveri

Guests: Carrie Nahabedian, co-owner, executive chef, *Brindille*, *Kostali by Naha*; Susan Spungen, food stylist, cookbook author, *Open Kitchen: Inspired Food for Casual Gatherings*

<p>PA-mazing: The Susquehanna River</p>				<p>Once accepted into the program, a victim or one of their family members has their mail sent to a post office box managed by the Office of Victim Advocate, so that their abuser can't track them down. The mail is then repackaged at the OVA and sent to the victim's actual address. Over 1,000 victims are currently enrolled in the Address Confidentiality Program.</p> <p>At 444 miles long and 320 million years old, the Susquehanna River is the longest river on the East Coast and the 5th oldest river in the world. It's been determined to be older than the Nile, Thames, and Amazon Rivers. Dr. Ellen Chamberlain, Assistant Professor of Geology and Geosciences at Bucknell University discusses how geologists came to this conclusion. She also discusses the physical attributes of the river, specifically that its banks are too wide for the water volume, which is why the River is not deep enough to sustain commercial ship traffic.</p>
