RE: Chief Operator Designation

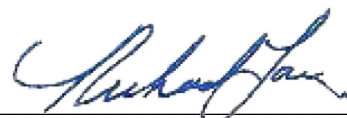

To Whom It May Concern:

I, Richard Lara, hereby designate Gabriel Castro to be chief operator of radio station WSUN-FM.

The chief operator will fulfill the duties as stated in FCC rules 73.1870.

I certify that I am acting on behalf of the radio station licensor, Spanish Broadcasting System. If the designated chief operator is unable or unavailable to act, Pierre Jaspas is designated as chief operator on a temporary basis.

Sincerely,
Spanish Broadcasting System, Inc.
