**Importance:** High

Below are political orders that were entered into the system yesterday.

Please make sure the following steps are being taken for every order.

#### Online Public File

- Upload all political inquiries, forms and orders within 24 hours
- All uploads to the online public file are time stamped and viewable by anyone, so please be diligent and prompt.
- Make sure to have a person designated to upload all required political documents.

Someone should listen to every political spot to make sure it meets the regulations:

- Know the local political landscape and make sure all local races are being called on
- Keep prime dayparted business clean and free of no charges
- Update your political and issue rates on the Katz website
