\* None of the recruitment sources above have requested notification of vacancies\*

<p>v. Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.</p>	<p>HPPR is involved in promoting careers in the broadcasting field by participating in the KAB Scholarship program.</p> <p>In 2017, our Music Director organized a non-profit internship fair with several other non-profits in the Amarillo, TX area. This yielded lots of interest and one specific student from West Texas A&amp;M agreed to work with HPPR. She was primarily responsible for assisting with marketing and awareness.</p> <p>Also, in 2017 our Member Service Manager visited the campus of Garden City Community College. She also worked to recruit students interested in pursuing careers in broadcasting. She was able to find two students to intern as production assistants and board operator during our membership campaigns.</p>
<p>vii. Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting.</p>	<p>HPPR is involved in promoting careers in the broadcasting field by participating in the KAB Scholarship program.</p>
<p>viii. Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.</p>	<p>During 2017 HPPR sent their General Manager and Underwriting team to San Francisco to attend a Greater Public Conference.</p> <p>Since 2010, five staff members have participated in leadership training offered by the Kansas Leadership Center. The training consists of a 10 session course where leadership skills are developed and enhanced through various workshops.</p> <p>Also, HPPR encourages all staff members of HPPR to participate in various webinars pertaining to their functions at HPPR throughout the year.</p>
<p>ix. Establishment of a mentoring program for station personnel.</p>	<p>HPPR and another public radio stations across Kansas initiated a mentoring program amongst underwriting departments. An onsite training/information sharing was conducted in Wichita, KS in January of 2017. The departments continue to meet in person annually.</p>
