PROGRAMS:

1. Health

Program Title: New Surgical Robot for CoreWell Health

Type: Segment

Source: Live In Studio

Time Broadcast: 7:20 AM

Duration: 10 Minutes

Brief Description(s): Nobody wants to have surgery, but when it is advised and for those who qualify, Ludington offers robotic surgery. Today we talk with Drew Dostal, President of Corewell Health Ludington Hospital and General Surgeon Dr. Bret Autrey about the robot and what capabilities it has.

2. Public Interest

Program Title: Ludington City Update

Type: Segment

Source: Live in Studio

Time Broadcast: 8:32 AM

Duration: 33 Minutes

Brief Description(s): Talking with City Manager Mitch Foster and Mayor Mark Barnett here in Ludington on what is happening.

3. Public Interest

Program Title: Will High School and Middle School Start on Time

Type: Segment

Source: Live in Studio

Time Broadcast: 9:20 AM

Duration: 28 Minutes

Brief Description(s): Dr. Kyle Corlett, Ph.D., Superintendent of Ludington Public Schools talks about some rumors about a possible late start to the high school and middle school. He chats about some construction changes, items that came up last minute, and what that means for the start of school. He also talks about his vision for the school year.
