

WKHZ AM

Second Quarter 2020 Issues/Programs List

During this quarter, WKHZ found issues of concern to our community and broadcast the following programs in response:

Program: Uniendo Familias

Length: 30 minutes

Time: 3 PM

Date: April 14, 2020

Issues: Health Concerns

Content: Host Edgar Palma discussed some of the health issues that affect the Hispanic community. As Coronavirus case are showing a rise, Mr. Palma stressed the need to stay home except in the case of an emergency. Little is known about this virus so listeners should limit contact with other people and wash their hands many times throughout the day.

Program: Uniendo Familias

Length: 15 minutes

Time: 10:30AM

Date: April 23, 2020

Issues: Children Education

Content: Host Edgar Palma discussed that the after school program as the Latinos Unidos Community Center is currently closed due to the Coronavirus outbreak in Maryland. He will keep listeners informed to when that after school program will once again help elementary children with their homework.

Program: Uniendo Familias

Length: 30 minutes

Time: 12 PM

Date: May 6, 2020

Issues: Adult Education

Content: The Church for the Good Evangelists has been providing classes to the Hispanic community to teach English as a Second Language. Currently those classes are not available as Maryland's governor has ordered all schools and learning centers in Maryland to be closed due to the Coronavirus. Mr. Palma will keep his listeners informed as to when these classes will resume.

Program: Uniendo Familias

Length: 30 minutes

Time: 9 PM

Date: May 22, 2020

Issues: Driving Safety

Content: With most of Maryland being closed due to COPID-19, host Edgar Palma reminds listeners that they need to stay home and limit in person contact. Maryland is not scheduling drivers test at this time but those who need a real ID should continue to prepare for obtaining one when Maryland government offices reopen. Mr. Palma will keep his listeners informed to when those facilities reopen.

Program: Multicultural Chesapeake Center

Length: 30 minutes

Time: 10 AM

Date: June 8, 2020

Issues: Immigration Issues

Content: Host Edgar Palma continued his discussion on the problems many Hispanics face in our area. The free immigration clinics, which had been held each Saturday at the Multicultural Chesapeake Center, have been postponed due to COPID-19. New immigrants should contact a local immigration lawyer for help with this process during the safer at home order by Maryland's Governor Hogan

Program: Uniendo Familias

Length: 30 minutes

Time: 3 PM

Date: June 16, 2020

Issues: Health Issues

Content: Host Edgar Palma continued his discussion on the health issues that affect the Hispanic community. According to state records, there is a higher rate of positive COPID-19 cases within the Hispanic community. Mr. Palma urged his listeners to stay at home, always wear a mask when leaving their home, to wash their hands frequently and to stay away from large gatherings.
