

:60 SECOND SPOT

[3 seconds silence]

ANNCR: Do you hear that?

[2 seconds of silence]

ANNCR: That's the sound of Christians NOT voting.

(start music bed)

ANNCR: When Christians don't vote, we silence our own voices on issues like religious liberty; protecting unborn children; and preserving our Constitutional rights.

On Nov 8th, you have a privilege that people in many countries literally die for...the right to vote.

In the last two presidential elections over 40 million Christians didn't vote. When we don't show up at the polls we silence our voices on policies that affect us and our children. The next President will appoint 2 or 3 US Supreme Court justices who will impact future generations. This is truly the election of a lifetime and we can make a difference in the future of our country – IF WE VOTE

Pray, discern, and VOTE!! Talk to your family and friends and make sure THEY VOTE. Let's not be silent any longer!

I'm **(DJ NAME)**. I'm a Christian and I'm Voting!
