Issues/Programs Statement

For the period of January 1, 2024 – March 31. 2024.

The Program "Missing: Open Files" runs on Saturdays from 5-5:30 PM and from 5:30-6 PM AST. This program focuses on a variety of issues of public concern relevant to KTVA's community, from the perspective of missing persons cases. This includes important safety information (which further touches on educational, law enforcement, health, and other issues of public concern) every child and their family should know to better protect themselves. KTVA is still working to acquire additional programming covering issues of concern in the local community.
