

Issues and Programs List

January 1 – March 31, 2020

KNUE - KTYL-FM - KKTX-FM – KISX

Section I - Issues

ISSUE 1 – Better Nutrition – About 15% of children and 35% of adults in East Texas are obese. What assistance is available in East Texas to live a healthier lifestyle for adults and children?

ISSUE 2 – Domestic Abuse – In March alone, the Tyler Police Department responded to twenty-one different calls of family violence, an increase from the 13 calls received in March 2019. The East Texas Crisis Center provides safety, shelter, counseling, advocacy, and education to victims of family violence, sexual assault, and other violent crimes in the East Texas counties of Smith, Wood, Rains, Henderson, and Van Zandt counties.

ISSUE 3 – Sexual Abuse Recovery – The Children's Advocacy Centers of Texas reports that 1 in 10 children will be sexually abused before their 18th birthday. With 7.4 million children residing in Texas, this is an issue that remains at the forefront of our community.

ISSUE 4 – Children in Need – Approximately one out of every five resident of Tyler lives in poverty. In addition, Texas leads the nation in child poverty. While cold weather comes in short bursts here in East Texas, those bursts do require a coat to be outside. Some children don't have a coat to stay warm. P.A.T.H.'s Coats for Kids Campaign helps provide a warm coat to those kids in need.

ISSUE 5 – Animal Neglect – Horse neglect in East Texas is an all too common problem, and local government is not equipped to adequately investigate cruelty complaints. Pegasus Project relationship with the SPCA of East Texas, along with Allyson's legal expertise, makes it uniquely situated to move quickly and serve as an immediate advocate for horses in need.

Section II – Responsive Programming

These stations air responsive programming in the form of a weekly, locally-produced, 30-minute (approximate) program, EAST TEXAS TODAY. EAST TEXAS TODAY airs at 7:00 AM each Sunday and addresses the issues identified as significant to the community as well as a variety of other related topics. A comprehensive description of the EAST TEXAS TODAY programs is presented below.
