Re: **Must-Carry Election**  
**KPNZ, Ogden, UT**  
**Salt Lake City DMA**

To Whom It May Concern:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission (FCC), the licensee of television station KPNZ, licensed to Ogden, Utah, has elected must-carry status on your cable system(s) for all of the communities which are served by your systems within the Salt Lake City DMA for the period beginning January 1, 2018 and ending December 31, 2020.

This will further advise that, pursuant to § 76.57(e) of the FCC rules, our preference would be to mutually agree with you that the station will be carried on the cable channel on which KPNZ is currently carried.

We will be pleased to cooperate with you to help provide the best possible service for your subscribers. Please do not hesitate to contact me if you have any questions on this matter.

Very truly yours,

/s/
