As you know, WPXI(TV) is the primary network affiliate of the NBC Television Network for the Pittsburgh, Pennsylvania television market. Our affiliation agreement expires on December 31, 2021. Our affiliation agreement protects WPXI(TV) through the term of the agreement against the duplication of NBC network programming from another television station during the period beginning one day before and ending seven days after the delivery the network program. The terms of our network non-duplication rights are set forth in the attachment.

WPXI(TV) broadcasts regularly scheduled NBC Television Network programming during the following time periods:

From time to time, WPXI(TV) broadcasts NBC network programs, including news and sports, in additional time slots.

FCC rules prevent local cable systems from carrying the signal of any other television station when such other station broadcasts NBC programming. If your cable system has been honoring WPXI(TV)'s network exclusivity rights, we thank you for your cooperation and request that you continue these efforts through the duration of our affiliation agreement. If your cable system has not been honoring WPXI(TV)'s rights (for example, by importing out-of-market NBC signals), we hereby re-assert our right to require your cable system to promptly begin providing program exclusivity.

Please contact me if you have any questions concerning WPXI(TV).

Sincerely,

Kevin J. Hayes

Re: NBC Network Non-Duplication Amendment

Dear Sir or Madam:

The following shall constitute an amendment to the television network affiliation agreement (the "Agreement") between Cox media Group, LLC, and the NBC Television Network, a division of NBCUniversal Media, LLC ("NBC"), dated July 30, 2019, regarding the NBC Affiliation of the below Station in its designated market area as defined by Nielsen ("DMA").

Television Stations/DMA's: **WPXI-TV / Pittsburgh, PA**

1. During the term of the Agreement, Station shall, by the terms of this amendment, be entitled to invoke protection against the simultaneous duplication of NBC's network programming, as carried by Station, imported within a radius from Station's designated community of license as defined in Section 73.606 of the Rules of the Federal Communications Commission ("FCC") to the maximum geographic extent from such community of license permitted under the present Sections 76.92 and 73.658(m) of the FCC's Rules and in accordance with the terms and conditions of said Rules.

2. Either party shall have the right to terminate this amendment at any time during the term of the Agreement, by written notice to the other given at least 60 days prior to the effective date of such termination, but only in the event of the following:

(i) Station grants consent to the retransmission of its broadcast signal by any cable television system or, except as provided in subparagraph 2(ii) below, to any other multichannel video program distributor ("MVPD"), as defined in Section 76.64(d) of the FCC Rules, whose carriage of broadcast signals requires retransmission consent, and such cable system is located outside the Designated Market Area ("DMA") as defined by Nielsen to which Station was assigned, unless Station's signal is actually carried by such cable system as of April 1, 1993, or, with respect to such cable system, is "significantly viewed" (as determined by the FCC); or

(ii) Station grants consent to the retransmission of its broadcast signal by any MVPD that provides such signal to any home satellite dish user, unless such user is located within Station's own DMA or is an "unserved household" as defined in Section 119 (d) or any successor provision of Title 17 of the United States Code.

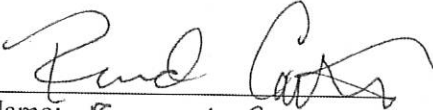

Any notice of termination under paragraph 2 hereof given by either party may be withdrawn by such party if, as of the effective date provided therein, the circumstances giving rise to such party's right of termination no longer exist.

To the extent that any term of the Agreement is inconsistent with the terms of this amendment, this amendment shall prevail. Except as modified by this amendment, the Agreement shall remain in full force and effect.
