Dear Ms. Goldin:

KHCA, Inc. ("Licensee"), licensee of FM station KHCA, Wamego, Kansas (Facility ID No. 34525) ("KHCA"), submits this letter in response to the Commission's EEO audit letter dated October 30, 2023 ("EEO Audit Letter"). KHCA is Licensee's only station, and there are no other stations in KHCA's employment unit.

As of this time and as of the date of the EEO Audit Letter, Licensee has no full-time employees. Therefore, Licensee is subject to the Small Station exemption in Section 73.2080(d) of the Rules because it has fewer than five full-time employees.¹

There are no pending or resolved complaints involving KQMO or any other station in the SEU, and there are no time brokerage agreements for KQMO or any other station in the SEU.

In accordance with Section 73.3527(e) of the Commission's rules, a copy of the EEO audit letter and this response will be placed in WKMO's Online Public Inspection File.

If you have any questions or need any additional information regarding this matter, please

I, Jerry C. Hutchinson, declare under penalty of perjury that the following information is true and correct.

I am an owner and an officer of KHCA, Inc. ("Licensee"), licensee of FM station KHCA, Wamego, Kansas (Facility ID No. 34525) ("KHCA"). This Statement is submitted in response to the October 30, 2023 letter of Elizabeth E. Goldin, Assistant Chief, Investigations & Hearings Division, Enforcement Bureau, Federal Communications Commission, concerning a random audit of Stations' EEO compliance (the "EEO Audit Letter").

I have reviewed the forgoing response to the EEO Audit Letter, and the information contained therein is correct to the best of my knowledge and belief. Specifically, KHCA's employment unit has fewer than five (5) full-time employees as the term is defined in the Commission's broadcast EEO rules, *see* 47 C.F.R. § 73.2080(e)(1).

In response to Question 2(b)(vi) of the EEO Audit Letter, Licensee affirms that it is not aware of any discrimination complaints filed against it during the current license term of KHCA.
