

**KSAZ FOX 10 News** airs 9 hours of live, local news each weekday plus another 10.5 hours of local news and sports on weekends (a total of 55.5 hours a week), more than any other station in Arizona. In addition, the station produces a weekly half hour public affairs show, "FOX 10 Newsmaker Sunday."

KSAZ FOX 10 News is committed to covering the issues most important to Arizonans. With more airtime devoted to live, local coverage, as well as significant investment in equipment and personnel to gather information, FOX 10 is uniquely positioned to deliver on its promise to provide the most responsive and relevant content in high profile time periods. This report highlights the issues that were of greatest importance during the months of October, November, and December of 2014.

On the chart that follows we list the stories we covered in these topic areas including the date, specific newscast and on-air format. Here is a key to estimate how much time we allocated to each story:

RDR = reader

Anchor reads script with no video. Typically 20 seconds

VO = anchor voice-over

Anchor reads script with video. Typically 20-30 seconds

VOSOT = anchor voice-over/"sound on tape"

Anchor reads script with video. Story includes sound bite from interview subject. Usually 45 seconds

LIVE VO = live voice over

Reporter live in the studio or field with extended video and information. Typically 1 minute

LIVE VOSOT = live voice over/"sound on tape"

Reporter live in the studio or field with extended video and sound bite from interview subject. Usually 1 minute, 45 seconds

PKG = reporter package

A self-contained story narrated by an anchor or reporter  
An anchor usually introduces the story  
Including anchor introductions, stories typically run 1 minute, 30 seconds

LIVE PKG = live reporter including reporter package

Same as PKG above, except a reporter introduces the story live from the scene
