

## WAED WMNK WOAM Fourth Quarter 2022

### Issues Program List

October 1, 2022 through December 31, 2022

The stations offer 4 to 5 minute news broadcasts between 7:00 AM and 3:00 PM daily on Saturday and Sunday. The newscast is aired three times in each given day. The “Weekly News in Review” news includes stories of regional interest on Illinois issues including agriculture, weather, economics, and human interest stories

Additionally the stations broadcast local current weather forecasts affecting Illinois and the Midwest twice hourly, 24 hours a day, seven days a week.
