RE: MUST CARRY TV ELECTION NOTICE

Maranatha Broadcasting Company, Inc. (“MBC”), licensee of digital full-power television broadcast station WFMZ-TV, Allentown, Pennsylvania, a community located in the Philadelphia television market (DMA), pursuant to 47 U.S.C. Section 338 and Sections 76.66(c) and 76.66(k) of the rules and regulations of the Federal Communications Commission, requests carriage of the digital signal of WFMZ-TV on your satellite broadcasting system providing retransmissions of local television broadcast station signals to subscribers in the Philadelphia market during the election period beginning January 1, 2012 and continuing through December 31, 2014.

Section 76.66(k)(1) of the FCC’s rules requires carriage of the signals of local television broadcast stations without material degradation, consistent with good engineering practice, be provided with the same quality of signal processing provided to television stations electing retransmission consent, including carriage of HD signals in HD if any local station in the same market is carried in HD. See also, Section 76.66(k)(2), prescribing a mandatory schedule for satellite carriers to provide HD “local into local” service to all of their subscribers.

Accordingly, MBC specifically requests carriage of HD signals transmitted by WFMZ-TV on your system in the same manner as the HD signals of other Philadelphia television market stations.

If you have any questions, please feel free to contact me at 610-798-4080.
