Title: Digital Content Producer/Planner

Experience:

Requirements:

WPEC is seeking a Digital Content Producer/Planner to be a part of our amazing multi-platform team. Our goal is to offer digital and social users coverage they care about, the kind that impacts their lives and which they cannot find anywhere else. In this role, you will be responsible for day-to-day production of content for our website, app and social media platforms. You will work with the entire newsroom team on multi-platform strategy and support day-of content and ongoing editorial initiatives and news planning needs. This position does involve weekend hours.

Essential Duties and Requirements:

- Solid news judgment and ability to collect and confirm information from primary sources
- Able to write compelling and accurate copy on deadline
- Able to multitask and manage time efficiently
- Possess strong communication skills
- Able to keep track and consistently execute digital strategies and goals
- Collaborative team-player willing to pitch in where needed
- Proficiency with non-linear editing (i.e. Adobe, Avid) and newsroom systems such as iNews
- Understanding of CMS tools, SEO guidelines for multiple platforms
- Understanding of how to use video and graphics to support content on all platforms
- Experience with newsgathering and logistics, booking interviews, and managing a content calendar

Experience:

- Must have at least two (2) years of previous newsroom experience at a commercial TV station or digital news platform.
- Bachelor's degree preferred, additional practical experience considered.
- Spanish fluency a plus.

Job Notification details between 10/1/2020 to 9/30/2021

WPEC is looking for an experienced and creative News Producer. A team player who loves the energy and storytelling of a great news show. This position will work closely with the EP, Director, Assignment Desk and Anchors on the daily show as well as finding and crafting content focused on our target audience. In this position you will determine the content and flow of newscasts and support the multi-platform effort in showcasing content from your show. Must be willing to work weekend mornings.

The ideal candidate:

- Solid news judgment/awareness.
- Able to write concise, compelling copy and teases.
- Knows how to handle breaking news from the booth.
- Able to work in a fast-paced, deadline-driven environment
- Strong communication skills
- Able to execute news strategies and goals in daily newscasts
- Flexibility and on-the-spot problem solving ability
- Self-starter, comfortable working independently
- Proficient with non-linear editing and newsroom systems, such as iNews

Requirements:

- 2 years experience in a commercial TV news environment.
- Bachelor's Degree. Broadcast Journalism or related major a plus.

Sinclair Broadcast Group, Inc. is one of the largest and most diversified television broadcasting companies in the country. Sinclair owns and operates, programs or provides sales services to more television stations than anyone and has affiliations with all the major networks. In addition, Sinclair is the leading local news provider in the country, as well as a producer of sports content. Sinclair owns a multicast network, four radio stations and a cable network. Sinclair's broadcast content is delivered via multiple-platforms, including over-the-air, multi-channel video program distributors, and digital platforms. Sinclair, either directly or through its venture subsidiaries, makes equity investments in strategic companies. Sinclair Broadcast Group, Inc. was founded in 1986, went public in 1995 and is traded on the NASDAQ Global Select Market under the ticker symbol SBGI.

Throughout our history, Sinclair Broadcast Group has been at the forefront of industry-changing events and technological advances. Our vision and first-to-market mentality drives our 'next generation' thinking; stimulating conversations, innovating through our expertise, and advocating for the development of technology and evolving business models.

As a leading over-the-air broadcast television company, our primary business is to engage consumers on multiple platforms with relevant and compelling news, entertainment and sports content, and to provide advertisers and business efficient means and value to connect with our mass audiences. We recognize the vital role broadcast television plays in branding and local content delivery, and therefore strive to constantly be at the forefront of leading edge technology and structures to advance the industry.

Title: Engineering Technician

Experience:

Requirements:

WPEC is searching for an Engineering/Operations Technician to work and grow in our West Palm Beach facility. We are looking for a DOER who wants to learn and grow. The B.E.T. will be challenged to operate and maintain modern television broadcast equipment in a fast paced, live focused environment. As a key member of the On Air Operations and Engineering team, the right candidate will be given an opportunity to work "Hands-On" with a variety of complex broadcast systems and equipment. Some computer networking skills and a basic understanding of electronic theory is required, as we expect you to hit the ground running and learning along the way. Extra points for Master Control experience! This is a great opportunity for an experienced MCO who wants to transition into a full time engineering role. You will receive extensive training and the opportunity to learn from veteran Broadcast Engineers. If you're not afraid to get your hands dirty, this is a solid opportunity to grow with us as we build upon our solid team.

Responsibilities Include:

- Regular Operation of Master Control Systems and On-Air Operations Equipment
- Attention to detail and On-Air Quality Control
- Maintain Operational Logs and Reports
- Engineering and Technical duties in support of Live News
- Engineering and Technical duties in support of Technical Projects
- Engineering and Technical duties in support of Project Planning and Execution
- Hands On maintenance of News and Production Equipment

Qualifications and Requirements:

About this Job

Engineering Technician

WPEC is searching for an Engineering/Operations Technician to work and grow in our West Palm Beach facility. We are looking for a DOER who wants to learn and grow. The B.E.T. will be challenged to operate and maintain modern television broadcast equipment in a fast paced, live focused environment. As a key member of the On Air Operations and Engineering team, the right candidate will be given an opportunity to work "Hands-On" with a variety of complex broadcast systems and equipment. Some computer networking skills and a basic understanding of electronic theory is required, as we expect you to hit the ground running and learning along the way. Extra points for Master Control experience! This is a great opportunity for an experienced MCO who wants to transition into a full-time engineering role. You will receive extensive training and the opportunity to learn from veteran Broadcast Engineers. If you're not afraid to get your hands dirty, this is a solid opportunity to grow with us as we build upon our solid team.

Responsibilities Include:

- Regular Operation of Master Control Systems and On-Air Operations Equipment
- Attention to detail and On-Air Quality Control
- Maintain Operational Logs and Reports
- Engineering and Technical duties in support of Live News
- Engineering and Technical duties in support of Technical Projects
- Engineering and Technical duties in support of Project Planning and Execution
- Hands On maintenance of News and Production Equipment

Qualifications and Requirements:

- Self-starter, able to work efficiently without direct supervision
- Be able to work effectively with other departments receiving and communicating instructions via telephone, computer or in person.
- Be able to read and understand technical materials
- Able to set priorities under pressure of deadlines
- Able to concentrate for long periods of time
- Must be flexible to accommodate shift changes including extended hours, weekends and evenings
- Some College or Military electronics experience is preferred
- Minimum of 2 years broadcast experience is preferred
- Working knowledge of broadcast station operations
- Work on ladders and man-lifts at heights up to 30 feet
- Lift up to 50 lbs.
- Pull wire and cable through conduits, cable trays and overhead ceilings.
- Distinguish colors in the visible spectrum
- Respond to emergency calls at any time of night or day.
- Maintain a valid driver's license
- Attend all assigned meetings
- Maintain reliable transportation
- Report for other duties as assigned
- Maintain a neat and clean workspace

About this Job

Special Projects EP/Correspondent

WPEC CBS 12 in West Palm Beach is looking for a Purple Cow. An investigative journalist with a compelling storytelling style who also has the drive and experience to lead our I-Team as it's Executive Producer. If you've got so many great story ideas you don't have time to turn them all, if you see investigative angles in day-of stories we can build on and if you believe in audience-focused journalism that makes a positive difference in the community, we want to talk with you.

Responsibilities include, but are not limited to:

- Pitching and turning investigative stories
- Scheduling I-Team staff and assignments
- Pitching and editing investigative content and sidebars for daily stories
- Working with digital team to enhance I-Team presence on web and social platforms
- Liaising with Sinclair attorneys on I-Team content as needed
- Weekend on-call rotation
- Crafting I-Team plan for sweeps ratings periods
- Submitting investigative entries for local and national award recognition

Requirements:

- Bachelor's Degree, Journalism or related Major a plus.
- 5 years' TV Newsroom experience
- Newsroom management experience a plus.

Sinclair Broadcast Group, Inc. is proud to be an Equal Opportunity Employer and Drug-Free Workplace! To be considered for this position candidate must submit Resume at www.sbgil.net

About this Job

Digital Content Producer

WPEC is seeking a Digital Content Producer to be a part of our amazing multi-platform team. Our goal is to offer digital and social users coverage they care about, the kind that impacts their lives and which they cannot find anywhere else. In this role, you will be responsible for day-to-day production of content for our website, app and social media platforms. You will work with the entire newsroom team on multi-platform strategy and support day-of content and ongoing editorial initiatives.

Essential Duties and Requirements:

- Solid news judgment and ability to collect and confirm information from primary sources
- Able to write compelling and accurate copy on deadline
- Able to multitask and manage time efficiently
- Possess strong communication skills
- Able to keep track and consistently execute digital strategies and goals
- Collaborative team-player willing to pitch in where needed
- Proficiency with non-linear editing (i.e. Adobe, Avid) and newsroom systems such as iNews
- Understanding of CMS tools, SEO guidelines for multiple platforms
- Understanding of how to use video and graphics to support content on all platforms

Experience:

- Must have at least two (2) years of previous newsroom experience at a commercial TV station or digital news platform.
- Bachelor's degree preferred, additional practical experience considered.
- Spanish fluency a plus.

Sinclair Broadcast Group, Inc. is proud to be an Equal Opportunity Employer and Drug-Free Workplace!

To be considered for this position candidate must submit Resume at www.sbg.net.

About Us

Make your mark in Media with Sinclair Broadcast Group, a diversified media company dedicated to connecting people with content everywhere! We have consistently led the broadcast industry since our inception, and now Sinclair owns the largest regional sports network business and one of the largest television broadcast portfolios in the country. Also, we have affiliations with all of the major broadcast networks, our own Tennis Channel, and several multicast networks including TBD and Comet. Our content is distributed over-the-air, on multi-video providers, and through our industry-leading digital media platforms. We also recently launched a free TV streaming service called STIRR. Our success is the direct result of our extraordinary employees and management team who believe in our vision and are dedicated to ensuring a great future for our employees. We are advancing the world of Media and want YOU to join our winning team!

About the Team

The life-blood of our organization is our people. We have a compelling story, a goal-oriented culture, and we take really good care of people. How good? Here is a glimpse: great benefits, open-door policy, upward mobility and a strong desire to see you succeed. Ready to be part of a winning team? Let's talk.

About Sinclair Broadcast Group, Inc.

All interested applicants must apply online https://edy.ta.us2.oraclecloud.com/hcmUI/CandidateExperience/en/sites/CX_2002

Sinclair Broadcast Group, Inc. is one of the largest and most diversified television broadcasting companies in the country. Sinclair owns and operates, programs or provides sales services to more television stations than anyone and has affiliations with all the major networks. In addition, Sinclair is the leading local news provider in the country, as well as a producer of sports content. Sinclair owns a multicast network, four radio stations and a cable network. Sinclair's broadcast content is delivered via multiple-platforms, including over-the-air, multi-channel video program distributors, and digital platforms. Sinclair, either directly or through its venture subsidiaries, makes equity investments in strategic companies. Sinclair Broadcast Group, Inc. was founded in 1986, went public in 1995 and is traded on the NASDAQ Global Select Market under the ticker symbol SBGI.

Throughout our history, Sinclair Broadcast Group has been at the forefront of industry-changing events and technological advances. Our vision and first-to-market mentality drives our 'next generation' thinking; stimulating conversations, innovating through our expertise, and advocating for the development of technology and evolving business models.

As a leading over-the-air broadcast television company, our primary business is to engage consumers on multiple platforms with relevant and compelling news, entertainment and sports content, and to provide advertisers and business efficient means and value to connect with our mass audiences. We recognize the vital role broadcast television plays in branding and local content delivery, and therefore strive to constantly be at the forefront of leading edge technology and structures to advance the industry.

Sinclair Broadcast Group, Inc. is proud to be an Equal Opportunity Employer and Drug Free Workplace

About Us

Make your mark in Media with Sinclair Broadcast Group, a diversified media company dedicated to connecting people with content everywhere! We have consistently led the broadcast industry since our inception, and now Sinclair owns the largest regional sports network business and one of the largest television broadcast portfolios in the country. In addition, we have affiliations with all of the major broadcast networks, own Tennis Channel, and several multicast networks including TBD and Comet. Our content is distributed over-the-air, on multi-video providers, and through our industry-leading digital media platforms. We also recently launched a free TV streaming service called STIRR. Our success is the direct result of our extraordinary employees and management team who believe in our vision and are dedicated to ensuring a great future for our employees. We are advancing the world of Media and want YOU to join our winning team!

About the Team

The life-blood of our organization is our people. We have a compelling story, a goal-oriented culture, and we take really good care of people. How good? Here is a glimpse: great benefits, open door policy, upward mobility and a strong desire to see you succeed. Ready to be part of a winning team? Let's talk.

To be considered for this position candidate must submit Resume at www.sbg1.net (<http://www.sbg1.net>).

About Sinclair Broadcast Group, Inc.

All interested applicants must apply online https://edy.fla.us2.oraclecloud.com/hcmUI/CandidateExperience/en/sites/CX_2002

Sinclair Broadcast Group, Inc. is one of the largest and most diversified television broadcasting companies in the country. Sinclair owns and operates, programs or provides sales services to more television stations than anyone and has affiliations with all the major networks. In addition, Sinclair is the leading local news provider in the country, as well as a producer of sports content. Sinclair owns a multicast network, four radio stations and a cable network. Sinclair's broadcast content is delivered via multiple-platforms, including over-the-air, multi-channel video program distributors, and digital platforms. Sinclair, either directly or through its venture subsidiaries, makes equity investments in strategic companies. Sinclair Broadcast Group, Inc. was founded in 1986, went public in 1995 and is traded on the NASDAQ Global Select Market under the ticker symbol SBGI.

Throughout our history, Sinclair Broadcast Group has been at the forefront of industry-changing events and technological advances. Our vision and first-to-market mentality drives our "next generation" thinking; stimulating conversations, innovating through our expertise, and advocating for the development of technology and evolving business models.

As a leading over-the-air broadcast television company, our primary business is to engage consumers on multiple platforms with relevant and compelling news, entertainment and sports content, and to provide advertisers and business efficient means and value to connect with our mass audiences. We recognize the vital role broadcast television plays in branding and local content delivery, and therefore strive to constantly be at the forefront of leading edge technology and structures to advance the industry.

Title: News Anchor

Experience:

Requirements:

WGFL and WPEC have an exciting opening for a Monday through Friday anchor for Gainesville's WGFL newscasts. This position anchors newscasts from beautiful West Palm Beach, Florida for WGFL's 6 and 11 PM newscasts and contributes content to WPEC and WGFL on all platforms.

In addition to being an outstanding journalist with an engaging, dynamic delivery, you need to be a team player. Our anchors are leaders who participate in the planning of our shows and produce content regularly. A competitive passion to win and openness to innovation is needed. Our winning candidate will be someone who embraces social media and knows how to consistently engage with the audience. We are a content first operation and everyone is part of the digital team. The anchor will be expected to create content for on air and our websites, and distribute it on social media. You also will be expected to help drive web traffic through your social media channels. Collaboration is a big part of this role. We want a person energized to coach and mentor first-time MMJ's, helping to improve their storytelling and on-air presence.

Job Responsibilities/Duties:

- Strong leadership skills
- Excellent work ethic
- Strong writing skills and news judgment
- Exemplary communication skills
- Outstanding understanding of social media
- Strong editorial judgement and ethical foundation
- Excellent on air presentation skills and engaging delivery
- Report and write stories under deadline pressure and appear on camera-both live and recorded
- Anchoring
- Produce/Write stories for on air and digital
- Write and record daily headlines for radio partners

Sinclair Broadcast Group, Inc. is proud to be an Equal Opportunity Employer and Drug Free Workplace!

About Us

Make your mark in Media with Sinclair Broadcast Group, a diversified media company dedicated to connecting people with content everywhere! We have consistently led the broadcast industry since our inception, and now Sinclair owns the largest regional sports network business and one of the largest television broadcast portfolios in the country. Also, we have affiliations with all of the major broadcast networks, our own Tennis Channel, and several multicast networks including TBD and Comet. Our content is distributed over-the-air, on multi-video providers, and through our industry-leading digital media platforms. We also recently launched a free TV streaming service called STIRR. Our success is the direct result of our extraordinary employees and management team who believe in our vision and are dedicated to ensuring a great future for our employees. We are advancing the world of Media and want YOU to join our winning team!

About the Team

The life-blood of our organization is our people. We have a compelling story, a goal-oriented culture, and we take really good care of people. How good? Here is a glimpse: great benefits, open-door policy, upward mobility and a strong desire to see you succeed. Ready to be part of a winning team? Let's talk.

Description:

WPEC CBS 12 in beautiful West Palm Beach, Florida is looking for a Digital Content Manager to take the reins of our multi-platform team and drive audience on our app, site and social. We don't want someone who's looking to follow a blueprint, but an innovative thinker who has ideas to move the brand forward while staying grounded in metric success.

Job Notification details between 10/1/2021 to 9/30/2022

WPEC/WTVX/WTCN/WHHB is searching for an extraordinary, out-of-box creative genius to fit the missing piece of our 360*Creative Department. We have great tools of the trade to exercise and showcase your viewer grabbing ideas. Best yet, you can be part surrounded by a group of highly talented individuals that form one of the most collaborative teams in Sinclair!

This uber creative and determined Creative Services Producer needs to possess the following skill sets:

- Candidate should be able to creatively concept, organize, and write award winning creative. We are called "360*Creative" because we produce materials for every medium and genre – broadcast TV, social, commercials, web, OTT, programming. No matter the need for creative... we can produce it(!);
- Candidate should be able to or have experience with DSLR videography and non-linear editing. This is not a plus, but a mandate for this position. No expecting an Emmy winning videographer or cinemaphotographer, but you do need to of had your hands on a DSLR, spent time with true editing software such as Final Cut or Premiere, and set up lighting more than a flood light;
- Candidate should be a good team player with the ability to meet deadlines. They should be able to communicate well with internal and external clients;
- Candidate should have achieved a Bachelor's degree in Broadcasting, Journalism, Film, or production related field;
- And, a PLUS for this candidate to possess would be to have graphic experience in Photoshop and After Effects, though not required.

The daily responsibilities of this creative superstar will include, but not limited to:

- **Producing daily news topical promotion for the PM and Evening newscasts;**
- Producing syndication and image promotion;
- Producing client commercials - large and small productions;
- Creating social media videos and posts;
- Filling traffic logs with promotion inventory;
- Assisting with station sponsored events;
- Being able to work nights and weekends (though it is not often);
- Being able to assist another team member with a project as needed.

Sinclair Broadcast Group, Inc. is proud to be an Equal Opportunity Employer and Drug Free Workplace!

Job Notification details between 10/1/2021 to 9/30/2022

WPEC is seeking a Digital Content Producer to be a part of our amazing multi-platform team. Our goal is to offer digital and social users coverage they care about, the kind that impacts their lives and which they cannot find anywhere else. In this role, you will be responsible for day-to-day production of content for our website, app and social media platforms. You will work with the entire newsroom team on multi-platform strategy and support day-of content and ongoing editorial initiatives. Weekend responsibilities also involve planning and assignment desk duties.

Essential Duties and Requirements:

- Solid news judgment and ability to collect and confirm information from primary sources
- Able to write compelling and accurate copy on deadline
- Able to multitask and manage time efficiently
- Possess strong communication skills
- Able to keep track and consistently execute digital strategies and goals
- Collaborative team-player willing to pitch in where needed
- Proficiency with non-linear editing (i.e. Adobe, Avid) and newsroom systems such as iNews
- Understanding of CMS tools, SEO guidelines for multiple platforms
- Understanding of how to use video and graphics to support content on all platforms

Experience:

- Must have at least two (2) years of previous newsroom experience at a commercial TV station or digital news platform.
- Bachelor's degree preferred, additional practical experience considered.
- Spanish fluency a plus.

Job Notification details between 10/1/2021 to 9/30/2022

WPEC CBS 12 West Palm Beach is looking for a Dayside Assignment Editor to join our team.

We are looking for an experienced Dayside Assignment Editor to keep the momentum going as we transition from CBS 12 News This Morning into the news day. This position is responsible for making sure the daybook is updated in time for our AM editorial meeting and is conversant with everything on the list so they can answer questions from managers and producers. Once the plan is set and updated, the Dayside Assignment Editor will be responsible for contacting and monitoring sources for breaking news and important updates, making follow up calls, updating futures file, supporting field crews, assist producers and transition with nightside crew as they begin their shift. Our assignment editors also cross-train as multi-platform content producers and will need to be proficient with crafting posts for website and social media as needed.

THE SUCCESSFUL CANDIDATE

- Is engaged with the news, knows what's going on in the market and big stories beyond the DMA.
- Is well-organized and can keep track of multiple tasks simultaneously.
- Is aggressive in chasing breaking news.
- Is a good communicator, speaks and writes clearly.
- Stays calm under pressure of deadlines and breaking news.
- Has a positive outlook and works well as a member of a team.
- Is familiar with iNews, Adobe Premiere, Lexis-Nexis and other news-related software.
- Builds good relationships with PJOs, press offices and other important contacts in public agencies.
- Is comfortable navigating systems used to access court and municipal records.
- Degree in Journalism or a related field preferred

Title: Creative Services Producer

Experience:

Requirements:

WPEC/WTVX/WTCN/WHHB is searching for an extraordinary, out-of-box creative genius to fit the missing piece of our 360*Creative Department. We have great tools of the trade to exercise and showcase your viewer grabbing ideas. Best yet, you can be part surrounded by a group of highly talented individuals that form one of the most collaborative teams in Sinclair!

This uber creative and determined Creative Services Producer needs to possess the following skill sets:

- Candidate should be able to creatively concept, organize, and write award winning creative. We are called "360*Creative" because we produce materials for every medium and genre – broadcast TV, social, commercials, web, OTT, programming. No matter the need for creative... we can produce it(!);
- Candidate should be able to or have experience with DSLR videography and non-linear editing. This is not a plus, but a mandate for this position. No expecting an Emmy winning videographer or cinemaphotographer, but you do need to of had your hands on a DSLR, spent time with true editing software such as Final Cut or Premiere, and set up lighting more than a flood light;
- Candidate should be a good team player with the ability to meet deadlines. They should be able to communicate well with internal and external clients;
- Candidate should have achieved a Bachelor's degree in Broadcasting, Journalism, Film, or production related field;
- And, a PLUS for this candidate to possess would be to have graphic experience in Photoshop and After Effects, though not required.

The daily responsibilities of thus creative superstar will include, but not limited to:

- Producing daily syndicated, image, and news topical promotion;
- Producing client commercials - large and small productions;
- Creating social media videos and posts;
- Filling traffic logs with promotion inventory;

Job Notification details between 10/1/2021 to 9/30/2022

- Assisting with station sponsored events;
- Being able to work nights and weekends (though it is not often);
- Being able to assist another team member with a project as needed.
