

Quarterly Issues and Programs List for Station – WMWX, WYNS, WKCX January 1, 2015- March 31, 2015

Section I. Issues

During the first quarter of 2015, all 3 Spryex Communications, Inc. radio stations including WKCX, WMWX & WYNS, simulcast the same programming 24/7. The above stations have identified the following significant issues facing our community in this quarter.

- A. See the Excel Spreadsheet (WMWX-WKCX-WYNS Local PSA's Summary) in this file showing issues addressed this quarter and programs run.
- B. Local/State/National News

Section II. Responsive Programs

This station has broadcast programming dealing with each of the above-referenced issues as set out below.

1. **PSA's** – We have identified 75 unique issues this 1st quarter of 2015. A total of 1,977 Local PSA's (75 unique pre-recorded spots) were aired at various times this quarter. The Excel spreadsheet below shows which PSA's were aired and the length of each of them. A total of 16.475 hours of time was spent airing these PSA's this quarter. In addition we made 136 live announcements of various other local PSA's involving local activities and issues that we wanted our audience to be aware of as per the attachment.
2. **USA/IRN Radio Network** – Newscasts (45 - 90 seconds in length) were broadcast this quarter. These newscast featured world and national news and aired primarily during morning and evening drive times.
3. **Kindred Sanction** – This is a 60 minute show aired every Monday evening from 9-10 PM. This show is dedicated to sharing local band and supporting the local music scene and the arts. Information is shared to our listeners through local music exposure and live band interviews. This show is hosted by Eddy Mullet. Many different local bands arrived at our studio each week where we highlight them and their music through both live interviews and through them playing their music live on the air. The local music industry has been in decline for quite a few years and this is Spryex way of helping to re-ignite the local music and arts scene, by giving them much needed exposure. There is no paying sponsor at this time. The show is produced live by Spryex Communications, Inc.
4. **Brian Baker Report** – **NOT AIRED THIS QUARTER**

This is a 40 minute show hosted by both Eddy Mullet and Brian Baker. This show helps to further our efforts to give information in support of local bands. This report is a 40 minute focus on local bands, where they are playing over the weekend and complete details of where listeners can receive more information on these events. The show is produced live by Spryex Communications, Inc. and there is no paying sponsors at this time. It is aired weekly.
