Topic: Trump asks Biden to be tested for drugs before or after debate

President Trump, who is fighting for re-election, requires the opponent, Democratic candidate Biden, to be tested for drugs before or after the U.S. election debate. Trump posted on social network that Biden's performance in the debate has been unstable, questioning it may be effected by drug influence. He also agrees to undergo drug testing himself. The 74-year-old Trump began to criticize the 77-year-old Biden's mental state a few months ago. He often described Biden as a "sleepy Biden". In recent weeks, he has repeatedly suggested that the other party may take unknown drugs to improve Performance, but he did not provide any evidence.
